FADE IN:

EXT. SPACE. DAY

Opening Crawl:

It's a time of unrest even as some are fast asleep. The Force has been awakened but the last Jedi did not rise... to be Skywalker.

What I'm trying to say, there's still a lot of mysteries in the universe and we must boldly go where no one has gone before, oops wrong franchise, well you get it.

Now, watch this!

EXT. TATOOINE. DAY

The hot hot sun bares down on the desert planet. A young woman and old woman stand opposite each other.

OLD WOMAN  
Who are you?

REY  
I am Rey....

Rey looks off into the distance and sees the Force ghosts of Luke and Leia Skywalker.

REY (cont'd)  
Rey Skywalker

OLD WOMAN  
Rey?

REY  
Yes, Rey Skywalker.

OLD WOMAN  
Rey?

REY  
Skywalker.

OLD WOMAN  
Rey!

REY  
Skywalker!

The two repeat themselves in a loop.

FADE TO:

INT. THE MILLENNIUM FALCON. DAY

Rey is laying on the sofa in the Millennium Falcon next to the chess board. She is surrounded by friends calling her name. She slowly opens her eyes.

ROSE  
Hey she's coming around!

POE  
Rey.

SNAP WEXLEY  
Rey.

FINN  
REY!!!!

REY  
I'm awake! You don't need to shout.

FINN  
Rey! I'm so happy you're alive!

Finn dives in and hugs Rey really quick.

POE  
You gave us quite the scare kiddo.

REY  
Alive? What's going on? Where am I?

POE  
You're on the Falcon.

Rey sits up quickly.

REY  
The Falcon!

FINN  
Rey, take it easy sweetie.

REY  
Don't call me that.

FINN

Okay hunny.

REY

What is going on? I was just on Tatooine.

POE

What? no. We barely escaped Crait.

REY

Crait! No that was months ago... or maybe a year ago, I'm not really sure but... it was a long time ago.

C-3PO comes wobbling in.

C-3PO

Oh dear you must have hit your head pretty hard. You took a bad step.

REY

Threepio you remember me?

C-3PO

Of course Mistress Rey. Protocol droids remember everything.

R2-D2 beeps a sassy beep.

C-3PO (cont'd)

Quiet you. She doesn't need to know about that. It happened over 40 years ago and is quite embarrassing for me.

REY

Guys really. What happened to me? What's going on?

C-3PO

It all started a long long time ago in a-

FINN

You saved our butts Rey!

POE

Yeah we would have been bantha fodder if you didn't come along when you did.

Poe places a hand on Finn's shoulder.

POE (cont'd)

(to Finn)

Buddy you didn't tell she could move  
rocks with her mind.

FINN

I'm pretty sure I did.

POE

You said she's magical.

FINN

She is!

POE

Well I can see that.

Poe shoots a smoldering look at Rey.

REY

Okay I remember that, and I remember  
getting on the ship with you guys and  
then we went to that one forest  
planet.

POE

Which one?

REY

I don't remember the name of it. It  
was just like green or whatever.

POE

Yavin IV?

REY

I don't know. Maybe?

FINN

We didn't go anywhere yet. We were  
planning a rout when you just fainted  
and hit your head on BB-8.

REY

Oh my.

POE

Don't worry, he's fine.

REY

Oh good. but wait... so I just hit my  
head?

Rey places her hand on her head and rubs it a bit.

SNAP WEXLEY  
You've been out for three hours.

REY  
So it was all a dream? But it seemed  
so real.

Rey takes a look around the room.

REY (cont'd)  
And you were there, and you were  
there and you and you! And...

Rey looks at Rose.

REY (cont'd)  
I think you were there, I honestly  
don't know.

ROSE  
(annoyed)  
Gee thanks.

REY  
I'm sorry I just don't know you that  
well.

ROSE  
(sassy)  
I'm sorry but I kissed Finn!

REY  
Ok.

FINN  
Whoa hey girl! You don't need to be  
lying like that. She's crazy! In fact  
I think she hit her head too.

Finn laughs anxiously and gives Rose a few quick light taps  
on the head.

ROSE  
Whatever, you guys suck.

Rose leaves crying.

REY  
I mean, I don't really care.

Leia walks in.

LEIA

Why is she crying? Finn what did you do?

FINN

It wasn't me!

REY

General Organa you're alive?!

LEIA

I could say the same about you.

REY

But but...

LEIA

Just take it easy. You overwhelmed yourself with the Force. Don't worry it happens to a lot of people.

REY

I thought I was pretty good at it.

LEIA

Yeah that's what they all say until they faint. As my late husband, Han Solo, once said "don't get cocky kid"

REY

I'm not cocky... Solo.... BEN!  
Where's Ben?

LEIA

He's still on that red salt planet, which is awful for his low sodium diet.

REY

But he died.

LEIA

In your dream.

REY

Yes and you died too.

LEIA

Again, it was only a dream. Honestly Rey do you not get that by now?

REY

I do, it's just... it seemed so real.

LEIA  
Most dreams do.

POE  
Just curious how did Leia die in your dream?

LEIA  
(to Poe)  
Why would you ask that?

POE  
What? Aren't you curious?

LEIA  
About my own death? No, but go ahead.

REY  
Well I was fighting Ben on the Death Star.

FINN  
Another Death Star!? Sheesh.

REY  
Well this was one of the old ones. It fell into the ocean moon of Endor. Well anyway I was fighting him and it was pretty epic, not gonna lie but then he let his guard down for a moment so I stabbed him.

FINN  
Nice!

Leia gives a stern look to Finn.

FINN (cont'd)  
(at a loss for words)  
I mean... Nice?

REY  
Yeah and well he was dying but I could sense he turned good and I found out later that you turned him good with the Force.

FINN  
(in a Han voice)  
That's not how the Force works!

Finn gives a big grin to Leia.

LEIA  
(to Finn)  
Get out of here.

FINN  
But I...

Leia gives Finn a mean look and he goes to the cockpit. Leia looks back at Rey.

LEIA  
That's not how the Force works!

REY  
Okay sorry.

LEIA  
What else happened?

REY  
Then I healed him...

POE  
Can the Force do that?

LEIA  
Are you kidding me? No. Remember when Luke got his hand cut off? He should have been able to grow it back then right?

POE  
Well maybe it only works on other people or small things like cuts.

LEIA  
Yeah but she said Ben was pretty much dying.

REY  
He was and later he used his Force energy to bring me back to life after we fought Palpatine.

POE  
Who?

LEIA  
(to Poe)  
That's the Emperor's last name.

POE  
I didn't know that. We just called  
him the Emperor.

LEIA  
You guys didn't know that?

SNAP WEXLEY  
No.

AKBAR JR.  
Nope.

NIEN NUNB  
Glub Glub Haha.

LEIA  
Threepio surly you knew.

C-3PO  
Oh dear it seems I can not recall  
that information in my data banks.

R2-D2 beeps a sassy beep again.

LEIA  
Of course not.

Leia hangs her head in shame.

LEIA (cont'd)  
So you really thought his name was  
Emperor? I am so disappointed in our  
galactic education system. No wonder  
we keep losing.

REY  
Yes, not only was he the emperor he  
was also my grandfather.

The whole gang bust out in laughter.

REY (cont'd)  
What? What's so funny?

LEIA  
That man never got laid in his life!

POE  
Yeah he's uglier than Nien Nunb.

NIEN NUNB  
Haha yeah.

The group laughs.

SNAP WEXLEY

And he smells worse than Chewbacca's  
momma.

The group laughs more.

C-3PO

And he's a dreadful man with wicked  
desires.

Silence.

POE

Well anyway, so in your dream you  
were Rey Palpatine ?

REY

Technically yes but I decided to  
adopt the name Skywalker.

LEIA

You can't just adopt a name Rey. That  
would be like if I called myself Leia  
Dameron.

POE

Hey now!

LEIA

See it doesn't make sense.

REY

Okay! Well we established it was a  
dream so cut me some slack.

LEIA

She's right. we've been sitting here  
talking about dreams for ten minuets  
straight. We need to be planning our  
next move.

Rey finally stands up.

REY

Where are we heading now General?

LEIA

To Bespin to see an old friend.

CUT TO:

INT. THE TANTRUM IV STAR DESTROYER. DAY

Kylo Ren's shuttle lands in the launch bay. Kylo hastily exits the shuttle. He is visibly disturbed. General Hux follows behind him like a scared puppy.

FO-66, A black droid that looks and sounds like C3-PO waits to greet them.

FO-66  
Welcome back Supreme Leader.

KYLO  
(moody)  
Not now FO-66.

FO-66  
I took the liberty of repairing your helmet.

KYLO  
Helmet! Throw that piece of junk in the trash!

FO-66  
Is there anything else I can do for you?

KYLO  
Hux! Where's Hux?! I need-

HUX  
I'm right behind you sir.

KYLO  
Hux call the Knights of Ren.

HUX  
Sir with all do respect I think the best-

Kylo Force chokes Hux.

KYLO  
Know your place Hux. When I tell you to do something, you say "yes sir". Got it?

Hux is lifted in the air gasping for breath.

HUX  
Yesss sir...

Kylo releases Hux and he falls with a thud. Kylo puffs out his chest and points around the room.

KYLO  
AND THAT GOES FOR ALL OF YOU TOO!

RANDOM STORMTROOPER 1  
(to his buddy)  
Geez someone woke up on the wrong side of the bed.

Kylo hears this from across the room.

KYLO  
What was that?!

RANDOM STORMTROOPER 1  
Oh shit!

Kylo whips the random stormtrooper around the room like a rag doll, crashing him into other guys then flings him into outer space.

There's a moment of silence.

All the stormtroopers and First Order officers bow down to Kylo in fear.

HUX  
Yes sir, yes sir!

KYLO  
Hux!

HUX  
The Knights.

KYLO  
Get them! Now!

HUX  
Yes sir!

KYLO  
And gather four of the top generals.

HUX  
Alright, I mean yes sir.

KYLO  
Once you have all ten meet me in my ready room.

HUX

Ten sir?

KYLO

Yes... the six Knights of Ren and the four generals. It's math Hux.

HUX

I know but the ready room only seats Nine.

KYLO

Nine is not good enough! We must have Ten! Bring an extra chair if you have to.

HUX

Yes sir!

KYLO

We will calculate a strategy to finally crush this rebellion once and for all!

HUX

As you command Supreme Leader. I'll gather everyone within the hour.

KYLO

I expect nothing less.

Kylo turns to FO-66

KYLO (cont'd)

Efoh draw me a bath.

FO-66

Yes sir. Bubbles or no bubbles, sir?

KYLO

(under his breath)

Bubbles of course.

DISSOLVE TO:

EXT. CLOUD CITY. BESPIN. SUNRISE

The Falcon lands on a platform high above the ground in the famous Cloud City. Lando Calrissian makes his way to the ship as Leia and the others exit.

LANDO  
Well hello beautiful.

LEIA  
It's been a long time Lando.

LANDO  
I was talking to the Falcon you old hag.

REY  
Hey you can't talk to her that way!

LANDO  
Sure I can, she's obvious not a princess anymore.

C-3PO  
How rude.

LEIA  
Listen you old fool we need your help.

LANDO  
I'm always willing to help a good cause. Come on inside.

Lando leads the group down the platform inside his facility. Leia goes first and the rest follow.

POE  
I've got a bad feeling about this.

FINN  
Ah man I wanted to it.

CUT TO:

INT. CLOUD CITY FACILITY. SUNRISE

The gang walks in behind Lando as if he's giving a tour in a museum.

LANDO

Now if you look to your left you will see our brand new gambling den. Who's up for some Sabacc later?

ROSE

I will never set foot inside another casino as long as I live.

LANDO

Moving along we the droid room next to our brand new Starbucks.

FINN

They really are everywhere.

NIEN NUNB

Yub Yub.

LEIA

Lando do you mind if we skip the tour? The galaxy's at stake here.

LANDO

Oh and this is interesting down the hall here we have the dining room where Darth Vader ambushed Hann, Chewie and the old hag.

POE

Why do you keep calling Leia an old hag?

LANDO

What? I'm just teasing. I called Hann an old pirate back in the day. Why can't I call her a hag? Is that a double standard or what?

POE

Hm. You've got a point there.

Lando stops in his tracks and turns around to face the group.

LANDO

Now who wants to see the carbonite chamber?

A few hands go up in the back.

LEIA

Honestly Lando are you gonna help or not because I can-

LANDO

Alright alright! What do you need?

POE

Ships!

FINN

And pilots.

ROSE

We could use some spare parts too.

CHEWIE

GRAHAHAH!

LANDO

What did he say?

REY

Chewie's hungry.

LANDO

He's always hungry. Okay anything else?

LEIA

How about your word?

LANDO

Leia I'm shocked. After all we've been through you still don't trust me?

LEIA

That's exactly why I don't trust you.

LANDO

Alright, alright. You have my word. No tricks. I promise.

LEIA

And no funny business?

LANDO

(Sly)

Hey now, I can't promise that.

Lando winks at Leia. Chewie charges Lando and shakes his fist at him.

CHEWIE  
(angry )  
GRAHAHHAHHAHHAHHAH!

LANDO  
No funny business! Geez you people  
drive a hard bargain.

LEIA  
Thank you Lando.

Lando taps a communicate on his wrist.

LANDO  
Jannah dear can you come here?

JANNAH (V.O.)  
Be right there.

REY  
Jannah?

A young beautiful black amazon of a woman with curly hair  
walks in from around the corner.

LANDO  
This is Jannah my girlfriend.

REY  
What!? I thought Jannah was your  
daughter!

LANDO  
I might be old enough to be her  
father but I assure you, I'm not.  
I've checked.

The whole crowd feels a bit uneasy.

JANNAH  
Who are your friends darling?

LANDO  
Just some folks from the war. Now can  
you take them down to the hanger bay  
and help them pick out some ships?

JANNAH  
Alright rebels follow me.

Most of the rebels head out with Jannah right away. Finn,  
Rey, Leia, Nien Nunb hang back with Lando.

NIEN NUNB

Yub yub.

LANDO

Oh shit, Nien Nunb, what's up man?

NIEN NUNB

Dub yub yaaa haha

LANDO

Bro did you get a face lift?

NIEN NUNB

Nub

LANDO

Well maybe you should.

NIEN NUNB

Nub YOU!

Nien Nunb walks behind Finn and punches the wall. Lando throws his head back laughing.

FINN

Hey Lando I have a question.

LANDO

What you got young blood?

FINN

So when Han met Vader did he really shoot first?

LANDO

Yeah Hann always shoots first.

LEIA

(smiling)

Even in the bedroom.

FINN

See Rey I told ya.

Rey takes a look at her blaster that she got from Han.

REY

That's pretty reckless.

FINN

I think the word you're looking for is badass.

LANDO

Hey kids why don't you run along, I  
have some things I need to discuss  
with Leia.

REY

Come on Finn let's go help the  
resistance.

FINN

Cool, let me just get a cappuccino  
first.

Finn heads towards the Starbucks they just passed.

LANDO

They got one on the other end of the  
hall too, by the hanger.

FINN

Oh ok.

Finn turns around and heads towards the hanger with Rey  
walking next to him. He reaches out to hold her hand she  
rejects it.

Lando looks at Nien Nunb who's still standing there.

LANDO

You too Melt Man! Scram!

NIEN NUNB

(sad)

Nub nub.... nub...

Nien Nunb shuffles off.

LANDO

I can never understand that guy.

Lando leads Leia into the dinning room.

INT. DINNING ROOM. DAY

Leia has a seat at the head of the table while Lando fixes  
two glasses of brandy.

LEIA

What do you want to talk about Lando?

LANDO

Leia... what exactly are we dealing with here?

LEIA

It's Ben. He's grown more powerful. He ... he killed Snoke.

LANDO

No kidding. Wow. That's my boy.

LEIA

(whispering)

Lando, we've been over this. There's no proof.

LANDO

Come on Leia we both know you never loved Hann like you loved me.

LEIA

We're not gonna talk about it Lando.

Lando sets down the two drinks.

LANDO

Fine, have it your way. I'll provide you with ships, as many as you need.

LEIA

Thank you

LANDO

And I can spare a few guys... or girls, whatever you're into these days.

LEIA

Knock it off.

LANDO

Hey just trying to lighten the mood your Gernerality.

LEIA

This is more than just a supply stop Lando. We need your help. We're running out of places to hide. We need time to build up our forces.

LANDO

Well you can't stay here.

LEIA

Of course not. In fact I'm sure the First Order is sending a patrol to this sector soon.

LANDO

Then we better get to work.

LEIA

I'm just worried about Ben. Maybe if I can talk to him I can turn him back to the good side but if not..

LANDO

But if not you don't have the heart to kill him.

LEIA

Exactly. and I'm afraid Rey doesn't have the strength to do it either.

LANDO

Which one is Rey again?

LEIA

You know the one dressed like a Jedi but isn't one. The one who has no business being that pretty even though she grew up in a desert like why are her teeth so white? I don't get it.

LANDO

Ah yes her, well I think I know someone who can help.

Lando stands up and looks out the window.

LEIA

You know another Jedi?

LANDO

Well I know a guy who knows a guy, but yeah.

Leia stands up too.

LEIA

That's great! Maybe he can join us.

LANDO

I'm sure he's willing to train Rey no problem but he's a little unconventional. War isn't his bag baby.

LEIA

And you trust him?

LANDO

Of course! He's got the Lando Guarantee.

LEIA

You better be right about this Lando, The First Order is tougher than ever!

FADE TO:

INT. THE TANTRUM IV. DAY

Kylo steps out of the shower with a towel wrapped around his head and waist. He's whistling the Imperial March. He takes a moment to admire himself in the mirror.

FO-66 walks over to Kylo from the bed with a change of clothes in hand.

FO-66

How was it sir? Not too hot I hope.

KYLO

It was just right as always Efoh.

Kylo takes the clothes from Efoh.

FO-66

I just received word that the Knights of Ren just arrived.

KYLO

Great have them wait in my ready room.

Kylo takes the towel off his head and throws it to Efoh.

FO-66

They're on their way now sir.

Kylo's second towel hits Efoh in the face.

KYLO (O.S.)  
Excellent. Tell them I will be there soon.

FO-66  
Yes sir.

Efoh nods and holds his gaze downward for a beat.

CUT TO:

INT. KYLO'S READY ROOM. DAY

The Knights of Ren, General Hux plus three other generals are sitting around a long table. Ten people in total. Kylo and Efoh walk in. Everyone stands to attention.

KYLO  
Gentleman have a seat.

Everyone sits except Kylo who's pacing the floor.

KYLO (cont'd)  
I gathered you all here because you are the brightest military minds in the gal- Hux what are you doing here?

HUX  
You said to get the four best generals.

KYLO  
I meant besides you.

HUX  
Sorry, I could leave.

KYLO  
No stay. It's fine. I can't have nine people here, I hate odd numbers.

At that moment a tall blonde lady walks through the door. She has a long scar on her left cheek and is missing her left arm wearing a tracksuit. It's Captain Phasma.

PHASMA  
Miss me boys?

Hux leaps out of his seat.

HUX  
Phasma! But you died... twice!

PHASMA

Wrong! I survived twice! No thanks to you jerks.

KYLO

What are you doing here Phasma?

PHASMA

I heard through the grapevine that you became Supreme Leader and I want to help.

KYLO

You were a good captain with only a handful of defective troopers. Hm what say you Hux?

HUX

(to Phasma)

No. Sorry, we're already maxed out here. We ran out of chairs.

PHASMA

Good thing I brought my own.

Phasma reaches behind her and pulls out a little popup stool, sets it up next to Hux and has a seat.

HUX

Well now we have eleven and that's no good.

PHASMA

Why?

HUX

It's a whole thing. Now leave!

KYLO

She can stay.

HUX

But...

KYLO

Let me just get in one more person.

Kylo looks at the Knights of Ren.

KYLO (cont'd)

Sorry for the delay guys.

The Knights just wave it off like they are cool with it.

Kylo walks over to the communication panel to call the bridge.

KYLO (cont'd)  
Hey Lora.

LORA (V.O.)  
Yes Supreme Leader sir?

KYLO  
Do we have any high ranking officials  
on the bridge?

LORA (V.O.)  
No sir, they are all out for lunch  
sir.

KYLO  
Drat. Alright thank you Lora.

Kylo pauses a moment.

KYLO (cont'd)  
Oh I know.

Kylo calls Lora again.

LORA (V.O.)  
Yes Supreme Leader sir?

KYLO  
Is Dave from accounting available ?

LORA (V.O.)  
One moment sir.

Lora puts Kylo on hold while an acapella version of 'Duel of the Fates' plays. Kylo looks around the room while everyone else just looks slightly nervous. Phasma is flexing her nub for Hux. Finally Dave picks up.

DAVE (V.O.)  
First Order Accounting this is David  
Klack.

KYLO  
Dave this is Kylo Ren, Supreme Leader  
of the the First Order.

DAVE (V.O.)  
Oh yess sir... how can I help you?

KYLO

Come on down to my ready room. I am making big plans and I want your input.

DAVE (V.O.)

Me sir?

KYLO

Yes hurry up.

DAVE (V.O.)

Yes sir!

Kylo turns around to see a lot of awkward faces looking for an explanation.

KYLO

Dave is a cool guy. We met at Snoke's birthday party last year. He got kinda drunk and came up to me with some good ideas.

HUX

Perhaps we should get him liquored up again sir.

KYLO

Honestly not a bad idea. Efoh go fetch us some spirits.

FO-66

Right away sir.

KYLO

Oh and another chair for Dave.

Efoh leaves. Kylo starts to pace around like a mad man.

PHASMA

So... anyone hear any good jokes recently?

RANDOM GENERAL 3

Did you hear the one about the Wookiee and the Ewok and the-

Dave, a man with a greasy brown mullet, thick mustache and glasses enters.

DAVE

Hey I'm here.

KYLO

Great.

Dave starts looking around for a seat.

KYLO (cont'd)

Oh my droid is bringing you a chair.

DAVE

Oh awesome.

Dave stand awkwardly by the door.

KYLO

Gentleman let's begin. The First Order has nearly wiped out the entire rebel alliance. Our battle on Crait was a turning-

Kylo looks at Dave standing.

KYLO (cont'd)

You know what? I feel weird about this. Let's wait for Efoh to come back with the chair. Sorry guys. I want to make sure everyone has a seat.

DAVE

Oh really you don't need to. I don't mind standing.

KYLO

Nonsense Dave. Oh by the way. Dave these are the guys. Guys this is Dave.

The whole table does a halfhearted wave at Dave.

DAVE

Hey guys.

KYLO

You know Hux right? You should, he's on the recruitment pamphlet. Oh and this is Captain Phasma back from the dead.

DAVE

Wow how is that possible?

KYLO  
We don't ask questions like that here  
Dave.

DAVE  
Oh sorry. I didn't know.

KYLO  
No worries.

There's a long pause.

KYLO (cont'd)  
Did he take the long way or  
something?

Efoh enters with a folding chair in one arm and two bottles  
of Gundark Ale in the other.

KYLO (cont'd)  
Geez where were you? Did you get  
lost?

FO-66  
My apologies Supreme Leader sir, I  
had trouble finding the drinks.

KYLO  
(annoyed)  
It's in a big red box marked BOOZE!

FO-66  
Yes I see that now. Terribly sorry.

Efoh hands the chair to Dave. Dave proceeds to awkwardly  
sidestep around Kylo.

KYLO  
Dave there's a spot over there. You  
can sit next to the Knights.

DAVE  
Ok. Oof. Excuse me.

Dave carries his folding chair to the other side of the  
table almost knocking one of the Knights in the head. He  
sits down between two mean looking Knights.

DAVE (cont'd)  
(to both knights)  
Hey, hey.

Kylo mutters something to Efoh, he doesn't seem pleased.

KYLO

Alright. Let's count.  
1,2,3,4,5,6,7,8,9,10,11,12. Okay. The  
gangs all here. Finally nice and even  
steven. So as I was saying before.  
The Rebels. They are on the run. We  
took their numbers down from 1000's  
across the galaxy to just a handful  
inside that hunk of junk Millennium  
Falcon. Their last hope, Luke  
Skywalker is dead!

DAVE

Yeah!

Everyone looks at Dave.

DAVE (cont'd)

Oh I guess we don't cheer at these  
things.

KYLO

At their current state they are  
nothing more than a measly rag-tag  
group of misfits in a rickety old  
clunker but given too much time they  
will spread in number and in power  
like the vermin they are! We must  
snuff them out once and for all.

The room is silent.

KYLO (cont'd)

Now you can cheer.

The room grunts in unison.

CUT TO:

INT. LANDO'S HANGER. DAY

Jannah leads the rebels to a huge hanger on the far side of  
the facility. Finn is bringing up the rear with a Starbucks  
in hand. Jannah stops at the hanger door and turns around.

JANNAH

Alright folks we got 100 gently used  
ships in here for low low prices!

POE

Prices? I thought we were getting  
them for free.

JANNAH

Ah sweetie, nothing in this galaxy is free.

POE

Okay well... how much we talking?

JANNAH

Depends on what's your fancy.

Jannah swings the hanger door open and the group walks in. There are hundreds of old and busted ships. Some date back to the days of the Republic, some even older.

JANNAH (cont'd)

We've got red ships, we've got green ships, we've got enough ships to choke a sarlacc!

Poe inspects the selection shaking his head. Finn Throws away is empty Starbucks cup and runs to catch up with Poe.

POE

This is it? This junk belongs in a museum not in a battle.

JANNAH

First of all, ouch. Second, you have no room to talk flying in that bucket of bolts you landed here in.

Poe and Finn look at each other.

POE

Okay how much for this one here.

Poe walks to the nearest ship, a green and white short range star fighter.

JANNAH

Ah, you have a keen eye. This beauty here has seen a lot of action and always returned home safely. It used to belong to Jedi Master Kit Fisto.

FINN

Never heard of him.

REY

You've got to be kidding Finn, Master Fisto was legendary.

FINN

Oh... oh yeah. FISTO, I thought she said Misto. Yeah of course I know all about... Kid? Fisto... with his big ol' forehead... and ... long neck...

Rey rolls her eyes at Finn.

POE

Sounds good. How much.

JANNAH

25,000 New Republic credits.

Poe and Finn look at each other and shrug.

POE

Yeah that's not bad.

FINN

Not bad at all.

POE

Okay, we'll take it. What else you got? Any X-Wings?

JANNAH

Oh no hunny.

FINN

What about Y-Wings?

JANNAH

Fresh out.

POE

A-Wings? B-Wings?

FINN

U-Wings? T-Wings?

JANNAH

I'm afraid not. But we do have a load of Zed-Wings.

FINN

Zed-Wings?

REY

She's saying Z-Wings you uncultured swine.

FINN

Oh!

POE

We don't want no stinking Z-Wings!

JANNAH

I'll make you a deal. 3,000 credits each if you buy all six of them.

POE

Hmmm. Well I guess it's better than nothing. Okay deal.

Poe shakes Jannah's hand.

FINN

Poe that's only seven ships total, we need... a few more.

POE

Let's see, shoot I don't even know how many people we have here. Let's do a role call.

Poe starts quickly counting his group.

POE (cont'd)

Poe, Finn, Rey, Rose, BB-8, Artoo, Threepio, uh... Melt Face, Fish Face, Snaps, Big Nose, Braids, Skinny, Four-eyes, Jenny with the tattoos, Jenny without the tattoo, uhh, Leo, Raph, Donnie, uhh, Curly, Moe, uhh Ash, Brock and uh Slugs McGee.

Slugs McGee, who's real name is Klaud, is a 6ft yellow slug man who is not really a slug.

KLAUD

Hi, my name is actually Klaud not Slugs McGee. Also I'm not a Slug, just saying.

POE

So yeah that's like 24 people right there.

Jannah's eyes get big with money signs. Metaphorically of course.

JANNAH

Looks like you will need to buy a few more ships.

REY

Can't some of us double up?

FINN

That sounds good to me. Like the buddy system. Rey and I can be ship buddies.

POE

Give it a rest Finn for goodness sake.

Leia and Lando enter the hanger.

LEIA

Rey wont be joining the rest of the team.

REY

General Organa?

LEIA

Rey I have a special mission for you. I need you to go to Dagobah and train with a Jedi master.

REY

I thought Luke was the Last Jedi.

LEIA

Me too but apparently not according to Lando.

JANNAH

Wait are you talking about Teen Yoda?

LEIA

Oh you know him?

Jannah laughs a little bit.

JANNAH

Yeah... he's cool.

LEIA

We will take anything we can get at this point. Rey you better get going. We really have no time to waste.

REY  
Yes, I'll leave immediately.

FINN  
Wait, you're gonna let her go alone?

Rey clinches her chest in pride.

REY  
This is my journey.

LEIA  
Finn's right. Rey you just fainted  
from a Force overdose. You need  
someone to watch your back.

REY  
Fine.

FINN  
Alright buddy system! Let's go!

A look of panic comes over Rey's face. she looks to Leia who  
rolls her eyes in disgust.

REY  
Uhh...

Poe gets looks from Leia and Rey.

POE  
Hey Finn buddy, I kinda need you  
here.

FINN  
What?

POE  
You're a darn good pilot.

FINN  
Really?

POE  
(slightly sarcastic)  
Sure.

REY  
It's so true Finn. Gosh you really  
need to help Poe.

POE  
Yeah buddy I need your help.

BB-8 nods his little head.

Finn drops his hands down to his sides and makes a stink face.

A proximity alarm goes off.

LANDO

Listen up folks. We have detected a First Order vessel entering our system. They'll be here any minute.

LEIA

They are most likely a small scouting party. If we play it cool we should get out of here alive.

LANDO

Oh Shit the Falcon is parked on my front patio!

LEIA

Damn that's that first thing that needs to go! Come on Chewie!

CHEWIE

Graahahhahahhahah!

Chewie scoops up Leia in his big strong arms.

LEIA

The rest of you get to a ship and wait for my signal!

Chewie dashes off back to the Falcon.

LANDO

I'll create a distraction.

Lando taps his wrist communicator while the rest of them scramble inside the hanger.

LANDO (cont'd)

Lobot old buddy, show our First Order friends the welcome mat.

CUT TO:

EXT. CLOUD CITY. BESPIN. DAY

Lobot, a man with a computer brain, hears Lando's call and silently instructs two double egg shaped ships to take off. This is all we see of Lobot so don't get too excited.

The two Cloud City ships meet up with two TIE Fighters and a First Order shuttle carrying Commander Quantis (new character) a young, brash, arrogant but lazy officer with dark hair and long sideburns.

QUANTIS

This is Commander Quantis of First Order Sentry group. I formally request entry to your facility to do a routine inspection.

CLOUD CITY PILOT

Sure no problem. Follow me and I will take you to Landing Pad D.

QUANTIS

Thank you so much. Honestly these days we get so much... resistance. I hate when people resist.

CLOUD CITY PILOT

Me too honestly. You're just doing your job. There's no reason we can't be civil. Just follow us.

The Cloud City pilots take the First Order goons towards Landing Pad D, which is in the opposite direction of the heroes.

CUT TO:

INT. CLOUD CITY HANGER. DAY

Lando contacts the Falcon.

LANDO

(over the radio)

Alright Leia they are heading towards the west side. You're clear to make your escape. Just be careful they're might be more of them.

INT. FALCON. DAY

Chewie is flipping switches getting ready for take off, Leia is sitting in Han's old seat.

LEIA  
(over the radio)  
Thanks Lando, we owe you big time.

The Falcon starts up it's engines and flies away.

INT. CLOUD CITY HANGER. DAY

Lando pops his head into the hanger and see rebels running back and forth. He spots Poe and informs him of what's going on.

LANDO  
Buddy, the First Order is about to land. I'm gonna meet them at the door and give them one heck of a tour. You need to be gone before they get here.

POE  
Leia said we need to wait for her signal.

LANDO  
Leia just left.

POE  
What?

LANDO  
Listen I gotta go. May the Force be with you.

Lando heads out. He takes one quick look in the mirror, fixes his cape then dashes off to meet Commander Quantis at Landing Pad D.

POE  
Okay guys listen up! We need to get the hell out of here. Hop in a ship and don't be picky.

There's a mad dash for everyone to claim a 'nice' ship. Rey stands in the middle of the chaos with her arms outstretched.

REY  
Okay so who's coming with me to  
Dagobah?

Finn turns around towards Rey.

POE  
Finn no!

Finn pauses for a moment, pouts and then runs to Kit Fisto's ship. Poe runs to the same ship, they get there around the same time.

FINN  
Dibs!

POE  
No Finn, this is my ship. Find your own.

FINN  
Come on, green's my favorite color.

POE  
Since when?

FINN  
Since now, this is the best ship.

POE  
And she deserves the best pilot,  
which is...

FINN  
(looking down)  
You.

POE  
That's right.

BB-8 rolls underneath the wing to enter the droid spot.

Finn hangs his head. Poe puts one foot on the ladder to get in then turns around to see his depressed buddy and hops off.

POE (cont'd)  
Don't worry pal, you'll get there  
someday.

Poe licks his lips and gives Finn a slap in the shoulder and heads into the ship.

Rey is still running from person to person to see if they want to fly with her.

REY  
Akbar Jr I know you ready for  
adventure.

AKBAR JR.  
I sure am!

Akbar Jr. Hops in a Z-Wing and shuts the door.

Finn hops in a nice looking ship but notices it has no flight control so he hops out.

Jannah runs up to Finn with a notebook.

JANNAH  
Looks like you guys are buying a lot  
of ships.

FINN  
You really asking for money right  
now?

JANNAH  
We had a deal.

FINN  
Gah just send us the bill!

Finn runs off towards the Z-Wings.

Rey tries to tag along with a few of the more obscure rebels but gets rejected then sees Snap gassing up his ship.

REY  
Snap! Hey I was just wondering if you  
would like take me to Degobah.

SNAP WEXLEY  
Naw.

REY  
Come on, these are General Organa's  
orders.

SNAP WEXLEY  
Honestly I don't really like you.

REY  
How rude.

Snap hands his gas hose to a pit droid and climbs in the ship.

Finn is running from Z-Wing to Z-Wing, each one already has a pilot. He finds a little pod, barely big enough for one person. He shrugs his shoulders and squeezes in.

Rey finally finds someone who is compliant, her old pal Threepio.

REY (cont'd)  
There you are friend! I have been  
looking for you. Time to go.

C-3PO  
I couldn't agree more Mistress Rey.

REY  
I see a nice little shuttle over  
there, that would be perfect.

C-3PO  
Actually I have my optical sensors  
set on this one.

Threepio slaps the side of a nice little Star Fighter.

REY  
But Threepio that's only a one  
seater.

C-3PO  
I know.

Threepio grabs an assault helmet and puts it on.

C-3PO (cont'd)  
I've always wanted to fly one of  
these bad boys

Threepio gets in the ship and shuts the door on Rey's face.

REY  
Great! Now who's gonna take care of  
me? I mean I know I can take care of  
myself.. but you know what I mean....  
who am I talking to?

CUT TO:

EXT. LANDING PAD D. DAY

Lando stands by the door as the First Order ship makes it's landing.

LANDO  
(into his  
communicator)  
Alright guys, it's now or never, the  
enemy has landed.

The First Order ship lands and the door opens up. Commander Quantis steps out.

QUANTIS  
Hello, I'm Commander Quantis.

LANDO  
Welcome to Cloud City. What can I do  
for you?

QUANTIS  
I'll be brief, I'm looking for  
rebels.

LANDO  
I haven't been affiliated with rebels  
in some time.

QUANTIS  
I admire your honesty. Never the less  
I still need to do my due diligence.

LANDO  
Of course, right this way.

Lando leads Quantis and a handful of stormtroopers inside.

CUT TO:

INT. CLOUD CITY HANGER. DAY

Poe revs up his ship, checks all systems, then broadcasts a message to all ships.

POE  
(over the radio)  
Attention all wings. If we are to  
keep hope alive we need to leave now.

FINN  
(over radio)  
I thought we were waiting for Leia's  
signal.

POE  
(over radio)  
Leia already took off. It's just us  
now.

FINN  
(over radio)  
Really? Doesn't seem like her. Well  
alright. Let's go.

POE  
Punch it!

The hanger doors open and each ship flies out one at a time.  
Rey is left standing there watching as the ships leave.

Lando is walking down the hall with Quantis getting closer.

LANDO  
And over here we have the famous  
Darth Vader dinning room.

QUANTIS  
Hmm what's all this ruckus?

Quantis heads straight for the hanger. Lando desperately  
tries to go the other direction.

LANDO  
That's nothing, that's just my uh...  
band.

QUANTIS  
Band?

LANDO  
Yeah I'm in a space metal band.

QUANTIS  
You don't seem like a space metal  
guy.

LANDO  
Well I am.

QUANTIS  
Me too. Let's check it out.

LANDO

Uh wait. Let me buy you a coffee.

Quantis heads straight for the hanger. The last of the ships take off as he enters.

QUANTIS

What the what?

Rey runs to one of the only ships left, an old Imperial shuttle painted with tacky racing stripes on the side.

QUANTIS (cont'd)

It's a rebel! Blast her!

Rey reaches for her lightsaber but realizes it's not there. She gets hit in the arm but makes it to the shuttle. Before she can get to the pilot's seat it takes off and flies away with troopers blasting her. She looks to see who's flying and it's Rose.

REY

Rose!? what are you doing here?

ROSE

Saving your skin dummy. Now sit down, buckle up, and wipe yourself off, you nasty.

Rose throws Rey a rag that she uses to dress her wound.

QUANTIS

(to the troopers)

Get those rebels!

The stormtroopers run off. Lando looks round.

LANDO

We were robbed! I can't believe it. Those filthy rebels took everything!

QUANTIS

Really?

JANNAH

It's true, they didn't pay for a darn thing.

QUANTIS

Rebel scum. I am so sorry folks. We will track them down and make them pay.

(MORE)

QUANTIS (cont'd)

What an awful thing to happen to a hard working galactic citizen such as yourself.

LANDO

I know. Sometimes I don't feel safe in my own home.

QUANTIS

Don't you worry, we'll get 'em.

DISSOLVE TO:

INT. TANTRUM IV. DAY

Kylo is still conducting his meeting. The table is littered with crumbled notebook paper, coffee cups and beer cans. Kylo is standing in front of a large white board with the title 'new ideas' at the top followed by 'another Death Star', 'bigger ships' and 'killer bees' plus much more.

KYLO

Okay guys, anything else?

HUX

What about a super laser inside a planet.

KYLO

It's been done. Next.

PHASMA

What about a fleet of ships with planet destroying lasers ?

KYLO

Enough with the lasers! They always find a away to foil us! We need to think outside the box. Dave, you've been quiet. Any thoughts?

DAVE

Uh.. Well... how about time travel?

Kylo tilts his head like a dog.

DAVE (cont'd)

Like maybe you could go back in time and kill the resistance leader before they're born. You know something like that.

KYLO

I don't think that would work well  
for me... but, okay I'll put it in  
maybe pile.

Kylo writes time travel in little letters on the white  
board.

KYLO (cont'd)

Hey guys well I think this is a good  
spot to take a break for now. I  
ordered some lunch for us.

DAVE

Oh boy.

KYLO

Hope everyone likes rotisserie  
tauntaun.

Phasma winches. Efoh rolls in with a cart of 13 plates of  
juicy meat garnished with celery and carrots.

PHASMA

I'm vegan.

KYLO

You can eat our celery then!

Efoh hands out the plates while Kylo grabs another drink.  
Phasma rejects her plate so Efoh puts it back on the cart.  
Everyone else throw their garnish at Phasma.

PHASMA

(sarcastically)

Thanks guys.

KYLO

Guys this meeting has been great. I  
just want to thank you all for  
coming, giving your best ideas. I'm  
sure if we keep at it we will find a  
way to crush the rebels once and for  
all. This will be a legendary day  
that will live on in history  
forever!. Let's grab a photo.

The whole table groans a little bit but shortly realize that  
Kylo is a mad man so they comply.

KYLO (cont'd)

Now everyone squeeze together.

Kylo hands Efoh the camera.

KYLO (cont'd)  
Yeah let's have everyone on one side  
of the table.

Everyone rearranges in the already cramped space. Kylo sits  
down in the middle of everyone. (yes it's meant to look like  
'The Last Supper' )

KYLO (cont'd)  
You ready Efoh?

FO-66  
Yes sir, everyone say First Order.

Efoh snaps the photo. Kylo takes another drink.

KYLO  
I honestly love you guys... But I  
know one, I know deep down in my  
heart one of you will betray me. Not  
saying who... but you know...chances  
are...

HUX  
Can we unsquish now?

KYLO  
Oh yes of course. Hahaha. Enjoy your  
meal!

People go back to their original seat and start to eat. Kylo  
starts to cut into a juicy chunk of meat when he is  
interrupted by Efoh.

FO-66  
Sir we have an important message from  
Commander Quantis.

Kylo grits his teeth and drops his knife.

KYLO  
Fine patch him in.

QUANTIS (V.O.)  
(over the radio)  
Supreme Leader sir I have found the  
rebels on Cloud City.

KYLO  
Excellent! Did you destroy them?

QUANTIS (V.O.)  
I'm getting around to it.

KYLO  
You incompetent boob!

QUANTIS (V.O.)  
I-I'm sorry...

KYLO  
They are flies for the swatting! I  
trust you can handle this or else  
I'll handle you!

QUANTIS (V.O.)  
Y-yes sir!

Kylo closes communications and pinches the bridge of his  
nose.

KYLO  
Hux how many ships do we have in the  
Bespinn system.

HUX  
Just the one.

Kylo smashes his fists on the table, knocks down Dave's  
food.

DAVE  
My cooked meat!

Kylo opens a channel to the bridge.

KYLO  
(over the radio)  
Turn this ship around! Set course for  
Cloud City.

LORA (V.O.)  
(over radio)  
Setting course for Cloud City. We  
should be there in 13 hours.

KYLO  
(over radio)  
What!?

LORA (V.O.)  
(over radio)  
Sir, we are on the other side of the  
galaxy and space is vast.

KYLO  
(over radio)  
Unacceptable!!!

Kylo breaks the communicator then holds his head in hands and screams like a little brat.

FO-66  
Sir would you like to see the photo.

Kylo lefts his head.

KYLO  
Yeah, show me.

Efoh pulls up the photo on the camera and shows it to Kylo.

KYLO (cont'd)  
I actually really like that. It's nice. Let's get a copy of that to everyone here.

HUX  
Sir what are we going to do about the rebels?

KYLO  
First finish your lunch then we can discuss options.

PHASMA  
You know I could run over there right now. My ship is twice as fast as this one.

Kylo waves her off and Phasma hops up, bows, grabs some veggies for the road and exits.

HUX  
Twice as fast? She will still get there too late.

KYLO  
I know. I just wanted to get rid of her.

Kylo sits down.

KYLO (cont'd)  
Knights of Ren I want you to use your skills to track down that girl Rey, she makes me so mad.

The Knights stand up.

KYLO (cont'd)  
Hey, sit down, it's okay. Finish your  
food then you can go. It's cool.

The Knights sit back down.

DISSOLVE TO:

INT. POE'S SHIP. DAY

Poe and the squad are lying under the clouds at half impulse  
so not to be detected by the first order.

POE  
Alright guys looks like we made it.  
Fly slow and low and hope we don't  
get detected.

LANDO (V.O.)  
(over the radio)  
Poe, their on to you.

POE  
Alright guys they know we're here.  
All wings to attack position.

The Z wings unfold. They look pretty ugly.

LANDO (V.O.)  
(over the radio)  
I'll try to stall them as long as I  
can. \*FLUSH\*

POE  
(over the radio)  
Lando where are you?

LANDO  
(over the radio)  
I'm... in the bathroom of a Star  
Destroyer. Commander Quantis thinks  
I'm his friend.

POE  
(over the radio)  
Why would he think that?

LANDO  
(over the radio)  
I kinda told him that you guys robbed  
me. I gotta go now! Bye!

POE  
Lando!

Two TIE fighters swoop below the clouds where the rebels are  
hiding.

POE (cont'd)  
Look sharp gang! We've got company.

The TIEs go after the Z-Wings first because they are the  
most obsolete.

SNAP WEXLEY  
We're getting hammered out here!

POE  
Engage your weapon's systems.

SNAP WEXLEY  
We're trying, but-

AKBAR JR.  
But these things are like they were  
built by a blind Toydarian.

POE  
Gross. Just hang on, I'm coming to  
you.

Poe flies towards the Z-Wing formation and takes a few pop  
shots towards the TIEs. Looks like his targeting system is  
malfunctioning.

POE (cont'd)  
Looks like my targeting system is  
malfunctioning. BB-8 see if you can  
fix it.

BB-8 beeps in anger while Poe does a barrel roll.

POE (cont'd)  
Can you fix it... Please.

BB-8 beeps his gratitude and begins to fix the targeting  
computer. Poe takes a few more pop shots.

Rey and Rose try to figure out the controls of their ship  
too.

REY

We need to help them, where are the guns?

ROSE

These kind of shuttles don't have weapons.

REY

So we're just sitting ducks?

ROSE

Don't worry. I know some moves.

Rose lands on Landing Pad C and waits things out.

CUT TO:

INT. THE KIBOSH STAR DESTROYER. DAY

Quantis stands on the bridge of a smaller Star Destroyer with Lando next to him. Lando wipes his hands on his pants.

QUANTIS

Hey everyone this is Lando.

LANDO

Hey guys.

QUANTIS

Lando is the owner of the facility down there. He got his ships stolen by those bad rebels.

The crew reacts with audible sympathy.

LANDO

Thanks guys. Really.

QUANTIS

So let's treat him like family okay? He's had a real rough day.

LANDO

Thanks Quantis. I really appreciate it.

QUANTIS

Don't worry we'll make those rebels pay for what they've done to you.

LANDO

Yes... I would love nothing more. But I was wondering. If it's at all possible could we try to get my ships back in one piece? After all they are my pride and joy and -

Lando starts to tear up. Quantis throws his arm around him.

QUANTIS

There there. I think we can try to capture them without blowing them up.

LANDO

Really? That would be great. If it's not too much trouble.

QUANTIS

No no. It's fine. We're here for you.

Quantis turns around to address the crew.

QUANTIS (cont'd)

Let's scramble a few more fighters but I want the rebels alive and the property unharmed. Got it guys? Light touch.

Around 10 TIE fighters launch from The Kibosh toward the battle below. They engage the rebels, just shooting their engines to disable them. Poe by chance shoots one down. The TIEs break their pursuit of the Z-Wings and double back to target Poe.

POE

Guy's I'll keep them busy. You make a break for it.

FINN

I can't let you do that buddy.

Finn slips into battle with his one-man pod, trying to be heroic. The TIEs shoot at his thruster which disables the entire ship and Finn goes into a free fall.

POE

Finn!

Poe does a steep dive to rescue Finn. The TIEs follow after him.

Akbar Jr. Figures out the weapons systems on the Z-Wings and comes to give Poe back up.

AKBAR JR.  
We're right behind you Poe!

Akbar Jr. And a few other Z-Wings provide Poe cover.

POE  
Finn eject!

FINN  
Are you crazy!?

POE  
Just do it, I'll catch you.

Finn like a fool pulls the eject lever and flies out of his pod.

FINN  
AHHHHHHH!

POE  
Where's your shoot?

FINN  
What shoot?! You didn't tell me  
there's a shoot! SHOOT!

POE  
It was under your seat! You really  
are dumb!

FINN  
HELP HELP I'M GONNA DIE!!!

Finn flails around in the sky for a while. Poe maneuvers his ship along side Finn and tries to match his falling speed.

POE  
I GOT YOU!

FINN  
YOU GOT ME?

POE  
I GOT YOU!

A TIE fighter approaches fast on Poe and Finn.

POE (cont'd)  
Oh shit!

Poe breaks off his decent and engages with the TIE

FINN

POE!!!!

The TIE shoots too laser blasts at Poe. Poe dodges the shots but he forgets Finn is right behind him now. Finn is too small a target and the lasers fly right between him.

FINN (cont'd)

THAT WAS TOO CLOSE! STOP FOOLING  
AROUND AND SAVE ME!

Poe's targeting is working now thanks to BB-8 and he blasts the TIE out of the sky. He circles back around to try to catch the falling Finn. He angles the ship's wing close to Finn and BB-8 reaches out with a pincher to grab him. Finn lays on the wing.

FINN (cont'd)

I'M DEAD! I'M DEAD!

POE

You're not dead! Get in here!

Poe opens the canopy and Finn crawls in. There's only room for one so it's a tight fit.

FINN

Poe move over!

POE

I can't. They didn't design this  
thing for two people.

Finn ends up sitting on Poe's lap.

POE (cont'd)

Get off my lap!

FINN

Then move over!

POE

I can't!

They argue and struggle like this for awhile until they get the canopy closed with the two of them sealed up like sardines.

SNAP WEXLEY

Will you two stop clowning around! We  
could use some help up here!

The TIES are surrounding the rebels, forcing them to fly closer together.

POE  
Hold on Snap!

FINN  
Yeah hold on Snap!

POE  
Can you move? I need to get to the-

FINN  
Oh this?

POE  
Can you stick your pointy elbow  
somewhere else?

FINN  
(sarcastic)  
I'm soooo sorry.

Poe flies up to the rest of the team when three TIEs begin to chase him. He tries to do some evasive maneuvers but finds it awkward with Finn. Pretty soon the whole squad is surrounded taking light damage.

SNAP WEXLEY  
Any time now guys! We're getting  
pinched!

POE  
These bastards are everywhere!

The TIES close in. It looks like all hope is lost when suddenly the Falcon flies up and shoots down several TIEs. Chewie is flying and Leia is in the gunner seat for once.

LEIA  
Damn it Dameron I told you to wait!

POE  
Leia?!

FINN  
Wooh! That's one hell of a general!

LEIA  
I'm sick of always cleaning up your  
mess.

POE  
I'm sorry, but Lando said-

LEIA  
Never mind that. Just blast those  
things so we can get out of here!

POE  
Yes ma'am!

Poe and the Falcon engage the enemy which frees up the other  
ships.

CUT TO:

INT. THE KIBOSH. DAY

Commander Quantis is watching the situation unfold. He spits  
out his coffee.

QUANTIS  
The Millennium Falcon is in the mix?!  
This is not good! Not good at all.  
All craft target that ship! Aim to  
kill!

LANDO  
What's that?

QUANTIS  
You never heard of The Millennium  
Falcon? Well it's one of the fastest  
ships around and blew up the second  
Death Star.

LANDO  
(smugly)  
Wow, she sounds like quite a lady.

QUANTIS  
She really is... I wish I had one.

LANDO  
I mean... this is your chance right?  
You can just take it for yourself.

QUANTIS  
But Kylo Ren really hates that ship.  
He will be very mad at me if I don't  
blow it up.

LANDO

Come on. Put on a new coat of paint,  
he'll never be the wiser.

Quantis pauses for a moment with his hand on his chin.

QUANTIS

(to the troops)

On second thought let's round up all  
the ships, even the Falcon. Go easy,  
okay?

CUT TO:

EXT. THE BATTLE. CLOUD CITY. DAY

Even more TIES join the battle, shooting to disable only.

POE

What's wrong with these guys?

FINN

There's too many of them.

POE

No. Why are they holding back? They  
usually go hard.

FINN

Why are you complaining?

A TIE fighter has a rebel ship in his sights but let's her  
slip by.

POE

Like right there! That guy had every  
opportunity to shoot down what's her  
face but didn't

FINN

So?

POE

We all know Storm Troopers have lousy  
aim-

FINN

(offended)

Hey!

POE

But-

LEIA

They want us alive. Which means they  
will try to push us into space so  
they can use a tractor beam on us.

POE

But we need to go up there if we hope  
to go to hyperspace.

LEIA

Guess you've never been Bespin before  
Dameron. Follow me.

The Falcon takes a steep dive all the way down.

FINN

What's she doing?

POE

No time to question it.

Poe dives down and the rest follow suit, along with the  
angry TIES.

CUT TO:

INT. THE KIBOSH. DAY

Quantis receives reports of the seemingly suicide attempt by  
the Falcon.

QUANTIS

No! Where's it going? I want that  
ship!

LANDO

(under his breath)  
Clever girl.

CUT TO:

EXT. THE BATTLE. CLOUD CITY. DAY

Snap and the rest of the Z-Wings pick off a few TIES on  
their way down, including Threepio.

C-3PO

I'm terribly sorry.

SNAP WEXLEY

Don't be sorry threepio. It's war.

AKBAR JR.

I just feel bad for the collateral damage we're doing on the streets below.

C-3PO

Oh dear I hate to interrupt but there are no streets below since Bespin is a class 4 gas giant.

SNAP WEXLEY

So that means if we blast straight down we will hit space on the other side.

C-3PO

Exactly.

All ships fly well below Cloud City and into the toxic gas below. They encounter a number of obstacles along the way. At one point it gets very hard to see and then communications between ships gets cut off.

POE

We're flying blind here. Hello is anyone there? Blast! Maybe this wasn't a good idea.

FINN

Which way is down?

POE

Why don't you stick your head out the window and check.

FINN

(sarcastic)

Haha, very funny... you're not serious are you?

POE

Actually... BB-8 can you shine some light for us?

BB-8 turns on his flashlight.

Finn points at a crack in the gas cloud.

FINN

Over there!

POE  
Good work buddy! You too Finn! Now if  
only we could signal the others.

FINN  
Flares?

POE  
Duh. Flares!

Finn releases the flares to light the way out. The other  
ships see this and follow Poe out.

CUT TO:

INT. THE KIBOSH. DAY

Quantis is arguing with his crew, smacking the console, he  
can't get a signal.

QUANTIS  
I need an update! What's going on  
down there?

RANDOM STORMTROOPER 2  
We've lost all communication down  
there sir.

QUANTIS  
Well get it back!

RANDOM STORMTROOPER 2  
I'm trying. Sir look!

Rey's shuttle flies above the atmosphere trying to make a  
slick escape among the confusion.

QUANTIS  
Is that one of ours?

RANDOM STORMTROOPER 2  
Not at all.

QUANTIS  
(to Lando)  
One of yours?

LANDO  
No sir. I would never own an illegal  
former imperial shuttle.

RANDOM STORMTROOPER 2  
Can we shoot it?

QUANTIS  
Better hail it, see what it's doing.

RANDOM STORMTROOPER 2  
Ah man I never get to blow anything  
up. This sucks.

QUANTIS  
Random vessel please state your  
mission or we will bring you aboard.

Rey and Rose fumble around with the communicator. Neither  
one of them want to talk.

REY  
Say something.

ROSE  
You!

REY  
I can't.

ROSE  
I don't know what to say.

REY  
Neither do I!

QUANTIS (V.O.)  
Unidentified craft, respond now or we  
will be forced to arrest you.

The girls fumble around some more then Rose pushes the  
microphone into Rey's face then crosses her arms. Rey gives  
Rose a dirty look then clears her throat and talks.

REY  
(in a high pitched  
girly voice )  
Hey, we're just two girls flying  
around doing girly stuff. Hehe.

Rose with eyes wide open gives Rey the "what were you  
thinking" face.

QUANTIS  
oh... ok.

RANDOM STORMTROOPER 2  
Scan checks out. They are indeed two  
girls and thus pose no threat.

Rose hears the storm troopers assessment of them and gets  
super angry. She grabs the mic and is about to talk but Rey  
slaps her hand over Rose's mouth.

QUANTIS (V.O.)  
Very well have a nice day ladies.

REY  
(high pitch girly  
voice)  
Hehe, aw you're sweet. BYYYYYYYE

Rey closes the channel and clears her throat again.

REY (cont'd)  
Can't believe that worked. Let's get  
out of here while we still can.

ROSE  
One thing. Why did you do the fake  
girly voice? We ARE two girls.

REY  
I don't know but it worked. Men are  
so dumb.

ROSE  
Right on.

Rose flips the switch and they launch into hyperspace.

Quantis stands on the bridge of his ship with a dumb grin on  
his face.

QUANTIS  
(blushing)  
They were nice.

LANDO  
You old softy.

RANDOM STORMTROOPER 2  
We are getting reports from the TIEs  
again.

QUANTIS  
Ooo. What do they say?

RANDOM STORMTROOPER 2  
They say the rebels are trying to  
escape from the south side of the  
planet.

QUANTIS  
Those devils! Turn the ship around,  
we need to cut them off!

The Kibosh flies around the orbit of the planet to catch up  
with the rebels.

CUT TO:

EXT. SOUTH POLE BESPIN. DAY

Poe and the rest have been flying for awhile but still in  
one piece and out running the enemy.

C-3PO  
We are almost there.

LEIA  
Stay sharp guys.

The ships blast through the southern atmosphere into outer  
space.

POE  
Get ready to jump to light speed.

FINN  
Can't they track us through light  
speed now?

POE  
Yeah but only from a big ship.

The Star Destroyer emerges from the blackness of space a  
fires a few warning shots.

FINN  
Great now they want to kill us again?

POE  
No, they just want us to know they're  
there. Leia we can't jump to light  
speed. What do we do?

LEIA  
Do it anyway.

POE

But-

LEIA

Trust in the Force.

POE

Wait where's the rendezvous point?

LEIA

Naboo, I've got family there.

POE

Okay guys, you heard her. Meet up on Naboo.

All crafts make the jump to light speed.

CUT TO:

INT. THE KIBOSH. DAY

Both Quantis and Lando look eager as they see the rebels fly away.

LANDO

(sarcastic)

Darn, they got away.

QUANTIS

Don't worry friend, we can track them, even through light speed.

LANDO

You can do that now?

QUANTIS

Yes Isn't it amazing? The miracle of technology but you only get a small window of opportunity, roughly 2 minuets.

LANDO

Why so short?

QUANTIS

You know.... I don't fully understand it myself. Like when they told me about it I was pretty excited but couldn't get my head around it.

LANDO

I get ya. On Cloud City they come up with so many neat new mining techniques that I can hardly keep up.

QUANTIS

Right? Things change pretty fast. Oh shit, you guys are tracking them right?

RANDOM STORMTROOPER 2

you want me to track them?

QUANTIS

Yes! you should automatically know to do that! Every time a ship gets away, track it! For crying out loud.

RANDOM STORMTROOPER 2

Geez okay sorry. I was waiting on a signal or something. On the other ships we always have to wait for orders.

QUANTIS

Okay, I'm sorry. I'm not bossy like those other guys but if you don't start tracking now we will lose them and then it's off with my head.

RANDOM STORMTROOPER 2

Hmmm....

QUANTIS

It's not a joke, Kylo Ren will kill me, you and even Lando here.

LANDO

You better track that ship kid!

RANDOM STORMTROOPER 2

I'm tracking, I'm tracking!

QUANTIS

I swear, it's so hard to find good help.

LANDO

I hear ya.

RANDOM STORMTROOPER 2

Uhhh.

QUANTIS

What is it?

RANDOM STORMTROOPER 2

It says error 332... what's that all about?

QUANTIS

Try it again!

RANDOM STORMTROOPER 2

Okay.... yeah same thing.

QUANTIS

Here let me see.

Quantis goes down to the control panel.

QUANTIS (cont'd)

Hmm, no kidding. This is wacky. Well looks like we're screwed.

Quantis stands up.

QUANTIS (cont'd)

Alright folks, let's say due to the nature of the planet we ran into some technical difficulties and can't track the enemy. I will personally explain this to the Supreme Leader... when and if he calls.

LANDO

Well, at least you tried.

DISSOLVE TO:

INT. THE TANTRUM IV. DAY

Kylo, the Knights, the generals and Dave are all finishing their meal, laughing and having a good time. Most of them are a bit tipsy by now.

KYLO

I told you it was good.

DAVE

Thanks again for inviting me and this lovely meal.

KYLO

You got it Dave... Dave you ever think about leaving accounting?

DAVE

Well not really. I am pretty good with numbers.

KYLO

Don't you ever want to see action? Experience battle?

HUX

Maybe he should join the Knights of Ren.

DAVE

No no.

KYLO

Yeah why not? Come on fellas, take Dave with you please.

The Knights shake their heads.

DAVE

I'm flattered but my place is in the back crunching numbers. Trying to keep our budget balanced.

KYLO

And how's that going.

DAVE

We are way over budget.

KYLO

Looks like we need to rob more planets of their natural resources.

They all laugh except Dave.

KYLO (cont'd)

Oh shit that reminds me. Did we hear anything from Cloud City.

FO-66

No nothing sir.

KYLO

Damn it. Efoh call Quantis and get a report.

FO-66

Yes sir.

Efoh leaves the room to make the call since Kylo broke the communicator in the ready room.

KYLO

Alright guys, meeting's over for now.  
Let's get together soon though.

The men start to stand up and clean themselves up.

KYLO (cont'd)

Generals I want a list of untouched planets for us to raid.

RANDOM GENERAL 3

Yes sir.

KYLO

Hux take command of the bridge. I need to meditate.

HUX

Very well sir.

All the generals leave as Efoh reenters.

FO-66

Oh is the party over?

KYLO

Yeah I'm starting to get a headache.

FO-66

Shall I fetch you a blanket?

KYLO

That would be nice. Hey what did Quantis say?

FO-66

He said all the rebels got away.

Everyone in the room braces for an outburst.

KYLO

I figured.

Everyone is relieved when there is no outburst.

KYLO (cont'd)  
Quantis is a loser. I'll deal with  
him after my nap. I mean meditation.

Kylo starts to head out then turns back around.

KYLO (cont'd)  
Oh yeah Knights don't forget to track  
down Rey and report back to me  
immediately. Dave last chance to join  
the fun.

DAVE  
With all due respect sir I rather  
push papers in the basement.

KYLO  
Alrighty then. You're dismissed.

Everyone leaves. Kylo yawns and heads back to his chambers.  
The Knights gear up and fly away. Dave takes the elevator to  
the administration deck with a story to tell the other  
accountants. Hux is also in the elevator.

DAVE  
Pretty crazy meeting huh?

HUX  
Let's get one thing straight. Ren  
might have taken a shine to you but  
that does not give you the right to  
speak to me got it? I am still your  
superior officer!

Dave stands silently at attention with his arms folded  
behind his back. The doors open up and Hux gets out. The  
doors close and Dave relaxes and nearly starts to cry. The  
doors open up again and Dave steps out.

DAVE  
What a day.

DISSOLVE TO:

INT. REY'S SHIP. DAY.

Rey and Rose are flying towards Degobah. Rey is on the coms  
with Leia.

REY  
(over the raider)  
Yes, alright then, we'll meet you  
there when I'm done with the  
training. You too. Mmmm Buh-bye.

Rey sets the headset down.

ROSE  
Who was that?

REY  
Leia

ROSE  
What she say?

REY  
The fleet is meeting up at Naboo. I  
told her we'll be there as soon as I  
finish my training.

ROSE  
Naboo. I've always wanted to go  
there. Looks so pretty.

REY  
That's what they say.

There's an awkward silence.

REY (cont'd)  
Hey Rose by the way thanks for coming  
with me.

ROSE  
Yeah no problem.

REY  
But honestly I think I should be fine  
on my own.

ROSE  
Yeah? Well Leia thinks otherwise so  
here we are.

REY  
Back there, when I knocked out. I was  
dehydrated, that's it.

ROSE  
You mean when Finn ran to your  
rescue?

REY

What's your deal with Finn anyway?  
We're just friends. Honestly!

ROSE

Right, just friends.

REY

What's your deal? He's not that  
special.

ROSE

Not that special? You hardly spent  
any time with him, you don't know him  
like I do.

REY

Oh yeah?

ROSE

The Finn I know is a kind and gentle  
soul. The only one to look at me as  
other than grease monkey. Do you  
think I get a lot of dates down in  
the pits? No!

REY

You and Finn had time for a date?

ROSE

We had a whole adventure. We got  
arrested on a casino planet. We  
rescued some horses. We snuck inside  
Snake's ship and almost died a few  
times! Then on Crait he gave me my  
first kiss. It was romantic.

REY

First kiss ever? Wait I thought you  
kissed him.

ROSE

It was mutual. And we're in love!

REY

You don't know how love works.

ROSE

(tearful)

Oh sorry, I forgot that love is only  
for perfect people like you and my  
sister Paige.

REY  
I'm far from perfect.

ROSE  
Okay whatever.

REY  
No, honestly I have loads of flaws.

Rose looks at Rey in disbelief.

REY (cont'd)  
Like... I snore. And... I only know  
how to cook little muffins... and...  
I don't know who my parents are.

ROSE  
You don't? Finn never told me that.

REY  
It's like one of my defining  
features. Does he talk about me a  
lot?

ROSE  
He doesn't shut up about you. Rey  
this, Rey that. It really makes me  
jealous.

Rey smiles and grabs Rose by the shoulder.

REY  
I'm flattered but really, I don't  
like Finn like that. He's all yours.

ROSE  
Really?

REY  
Yes really. Please take him.

The two share a hug.

ROSE  
Thanks Rey. You'll be invited to our  
wedding.

Rey pats Rose on the back.

REY  
Alright...

DISSOLVE TO:

EXT. THE ROYAL PALACE-NABOO. DAY

The rebels all land on Naboo, a lush green planet with beautiful blue waterfalls. They all rally outside the Falcon where Leia is going over the plan.

LEIA

Alright is everyone here? Good. The spirit of the rebellion lives on with us. Slowly we will rebuild and be stronger than ever. The First Order is tightening it's grip on the entire galaxy. Soon we will have no where to run. So we need to make the most out of every moment. Some of you may know me as Princess, well my mother was actually a queen who ruled this planet.

The crowd gasps in awe.

LEIA (cont'd)

Truth be told it's been a long time since I've been to Naboo but I still have cousins and friends who are loyal to democracy.

Finn snickers to Poe

FINN

Royal democracy ?

POE

Shhh.

The squad embarks inside the palace in search of Leia's family. Poe and Finn fall shortly behind.

LEIA

Try to keep up guys.

POE

Sorry General, we're a bit out of sorts.

LEIA

Are you alright?

FINN

It was a bumpy ride.

SNAP WEXLEY

I hear that.

Snap slaps Finn in the back.

FINN

Oof!

As they walk into the palace and are greeted a well groomed Jar Jar Binks. He's wearing khaki slacks and a navy blue sweater vest. Something seems different about him.

JAR JAR

Welcome travelers, Welcome to the Royal Palace I'm Jar Jar Binks.

LEIA

Jar Jar?

JAR JAR

Yes have we met?

LEIA

It's me, Leia Organa.

JAR JAR

Little Princess Leia! Good to see you my dear.

Jar Jar goes in for the side hug.

LEIA

Jar Jar is that really you? You seem... different... sound different.

JAR JAR

(smiling)

Yeah I bet I do seem different, in a good way I hope.

LEIA

What happened to you?

JAR JAR

See when the Clone Wars ended I was in a bad place. Everyone blamed me for everything. I realized how naive I was so I returned to Naboo to live the simple life but things got a bit too out of hand for me. Before I knew it I was homeless and living on the street, begging for scraps.

LEIA

Right, then my family took you in right?

JAR JAR

Yes I worked here in the palace for a long time but I kept goofing off and I got hooked on bath salts. By the end of the next war I was back on the streets. No one wanted to put up with my nonsense any more.

FINN

Then what happened?

JAR JAR

I'm so glad you asked. Then I found Jesus.

FINN

Who?

JAR JAR

Jesus Christ is my personal lord and savior, The son of God. I am born again in his blood.

FINN

Sounds messy.

POE

The son of God?

JAR JAR

After I accepted him into my heart I kicked my drug habit that day. I dedicated my life to him and now I talk proper too. Do you want to know more?

LEIA

Honestly we don't have the time, glad you're clean now but we-.

JAR JAR

See I had no idea who Jesus was either but under Gungan Hall on the ocean floor I found a portal to another galaxy, a place called Earth.

LEIA

Wait so you're telling me you had a portal to another galaxy this whole time?

JAR JAR

Yeah the ancient Gungans discovered it and fundamentally interfered with the progress of Earthlings. They vowed never to go back after they saw what kind of destruction the brought to this virgin planet. It's all been abandoned and forgotten until I stumbled across it.

LEIA

Well this sounds perfect. We can hide out there and-

JAR JAR

Oh that's not a good idea. See they are going through what they call 'the black death' now. It's a very serious illness that I pray the lord will deliver them from.

LEIA

How come I get the feeling this was a major waste of time? Where are my cousins, Jar Jar?

JAR JAR

Oh they are on vacation.

LEIA

Big waste of time!!

POE

You should've phoned ahead.

Leia turns to Poe, then to Jar Jar.

LEIA

I'm slapping you! And I'm slapping you.

C-3PO

Oh my.

Leia turns around and leaves, the rest follow. Poe, Finn and Snap walk side by side.

FINN

Man what a waste.

AKBAR JR.

I don't know. That Jesus guy sounds pretty cool.

POE

We should have gone to my family. My big brother Rich knows a lot of cool hideouts.

FINN

You have a brother?

POE

Yeah I'm not an orphan like you guys.

FINN

Wait... you said his his name is Rich?

POE

Yeah Richard Dameron, you know him?

FINN

No but... his name... is Rich?

POE

So?

FINN

Your parents named you Rich and Poe? Doesn't that seem weird to you?

POE

I don't get it.

FINN

He's Rich, you're Poe.

Poe raises an eyebrow.

FINN (cont'd)

You know what, never mind. If you don't get it I wont spell it out for you.

R2-D2 beeps a lot to C-3PO then rolls up to Leia.

C-3PO

How would you even know a thing like that you rusty trash can?

LEIA  
What's going on?

C-3PO  
Artoo claims that he knows where we  
could find a secret stash of weapons.

Leia bends down to Artoo.

LEIA  
That's right. I keep forgetting that  
you worked for my mother here on  
Naboo.

C-3PO  
Really Artoo? You never told me that.

Artoo beeps sarcastically to Threepio.

C-3PO (cont'd)  
Don't tell me my circuits are  
failing, you're the the one who's  
being replaced by a beach ball.

BB-8 does a laughing beep and struts his stuff.

LEIA  
Lead on Artoo, you're my only hope.

Artoo beeps gladly and takes the lead.

[Note: IF YOU MADE IT THIS FAR, CONGRATS]

DISSOLVE TO:

EXT. CLOUD CITY. BESPIN. SUNSET

Captain Phasma's shuttle lands and she enters the facility  
alone. She roams the halls looking for anyone but the place  
is pretty empty.

PHASMA  
Hello? Man this place is emptier than  
... something that's very empty.

Phasma sighs because she's bad at metaphors. She lurks  
around the place for a bit until she hears a noise. She  
investigates and finds Jannah laying out by the pool,  
drinking a martini and watching 'Real House Wives: Mustafar'

PHASMA (cont'd)  
What is going on in here?

Jannah jumps up.

JANNAH  
Who are you? What are you doing here?

PHASMA  
I'm captain Phasma and I'm looking  
for rebels. ... Bitch.

JANNAH  
There's no rebels here. They  
absconded with my ships!

PHASMA  
Is that so?

JANNAH  
Yeah and I would thank you very much  
to leave.

PHASMA  
Looks like I just missed them. Say,  
were there any other First Order  
officers here.

JANNAH  
Yeah some guy Quinto or whatever.

PHASMA  
Quintas. Where is he now?

JANNAH  
Lady I don't know. He left with my  
boyfriend.

PHASMA  
He stole your man?

JANNAH  
Not like that, he kidnapped him.

PHASMA  
You don't seem too sad about it.

JANNAH  
Lando always goes on adventures and  
leaves me here, which I don't mind  
cuz I get to get caught up on me  
telly.

PHASMA

Right. Well do you have any idea where they went?

JANNAH

None at all.

PHASMA

You know what this means right? Kylo Ren, you've heard of him right?

JANNAH

Yeah that bratty Darth Vader wannabe?

PHASMA

Well he's my boss, and don't, don't call him bratty. Trust me. He will blow up this whole planet for less.

JANNAH

Okay, sorry, didn't know it was so touchy.

Phasma gives Jannah a stern look.

JANNAH (cont'd)

Wait, was that a threat?

PHASMA

Tell me what I want to know.

JANNAH

Oh hell no! I told you. I don't know where they went, now bug off!

Phasma pulls out her electric pole thing and spins it all around with her one arm.

JANNAH (cont'd)

You're looking mighty dumb mate.

PHASMA

Under the order of the First... Order you're under a-

JANNAH

Let me stop you there.

Jannah pulls a laser pistol from under her chair.

JANNAH (cont'd)

I don't don't take kindly to threats.

Phasma nods up like 'bring it on'. Jannah takes couple of shots at Phasma and she actually deflects them with her staff. Jannah stands dumb founded then fires off another shot which Phasma dodges then she throws her staff and pierces Jannah's right shoulder.

JANNAH (cont'd)

AHHH!

Jannah tries to pull it out but Phasma rushes her, grabs the staff, yanks it back and kicks her. Jannah lands on her back holding her bloody shoulder. Phasma goes in for the kill strike but Jannah kicks her in the knee which makes Phasma lose her footing and she falls in the pool with her electric staff which zaps her.

JANNAH (cont'd)

How uncivilized.

Jannah starts to walk away when Phasma crawls out of the pool with her skin messed up and her hair falling out.

PHASMA

Where do you think you're going, I'm not done with you yet!

JANNAH

Damn, that's one tough bitch.

Phasma gets to her feet and picks up Jannah's martini glass and breaks it over the side of the table.

PHASMA

Let's dance!

Phasma swings the glass wildly, Jannah squares up and is ready to box. Jannah throws a punch with her right arm forgetting about her injury and really hurts herself. Phasma takes the opportunity to cut her in the stomach. Jannah grabs her by the hair to molly-wop her but a big clump falls out freeing Phasma who cuts Jannah again in the side. Jannah falls to her knees. Phasma discards the glass and grabs Jannah by the hair.

PHASMA (cont'd)

Okay tell me what I want to know.  
Where are the rebels?

JANNAH

I told you bitch, I don't know!

PHASMA

You've got to know something.

JANNAH

I know you're one ugly mother fucker!

Phasma knees Jannah in the face which knocks her out.

PHASMA

Dumb ugly stupid ass bitch. Call me ugly. You're ugly. Who watches 'The Real Housewives of Mustafar' anyway? Lonely stupid ho.

Phasma stumbles out and catches a glimpse of herself in the mirror.

PHASMA (cont'd)

Wow I really am ugly. No one respects me these days after I lost the suit. They just go "oh there's one armed Phasma who used to be captain but now she's dead, oh well" I'll show 'em, I'll show 'em all!

Phasma starts laughing like a mad woman. She roams the halls until she finds a room called 'Wardrobe'.

PHASMA (cont'd)

You know. I might be a psycho killer but I'm still a woman.

She heads into the wardrobe and tries on a few of Jannah's clothes and Lando's and even one of Leia's old outfits. Lastly she finds a skin tight red uniform with a gold slick back helmet. She tries it on.

PHASMA (cont'd)

Oh, I look goood. And this little visor comes down. Very cool. This brings me bliss.

Phasma walks back to her ship as a bunch of Cloud City EMTs run past her to help Jannah.

PHASMA (cont'd)

This place is a mess. Time to hit the road.. errr I mean space. I'm gonna get them rebels.

DISSOLVE TO:

EXT. DAGOBAH. DAY

Rey and Rose arrive at Dagobah and make a very happy landing on a flat field next to a swamp. They exit the ship and begin to get their barrings.

REY  
Alright we made it. Time to find this  
Teen Yoda.

Teen Yoda, a green skinned pointy eared alien who looks just like Normal Yoda but 5ft tall, lanky and skinny, pops up from behind the trees.

TEEN YODA.  
Sup guys?

REY  
Hello, do you know where we can find  
Teen Yoda?

TEEN YODA.  
Dude's I'm Teen Yoda, but please call  
me Yodie.

REY  
Yodie. I was just expecting  
someone...

TEEN YODA.  
Shorter? Ha. People always think  
since my name is 'Teen Yoda' that I  
am somehow related to the great  
Master Yoda, I'm not. He was a midget  
and talked backwards for no reason.  
I'm my own man.

REY  
Oh I see but you still know the Force  
right?

Yodie spots Rey's shuttle and runs over to it.

TEEN YODA.  
Sick ride bro! I love the stripes.  
Are you into pod racing? It's so  
wizard.

ROSE  
Yodie, can we focus here. We were  
hoping you could-

TEEN YODA.

Train Rey I know. Geez Rose you don't need to be such a buzzkill.

REY

You know who we are?

TEEN YODA.

Yeah. The Force baby!

ROSE

(under her breath)

I'm not a buzzkill.

TEEN YODA.

Hey watch this.

Yodie uses The Force to pick up their ship and swings it around.

ROSE

Whoa.

Yodie lifts the ship higher and higher.

REY

Alright. Well I can do that too.

TEEN YODA.

Oh yeah? Prove it. Catch haha!

Yodie drops the ship. Rey uses the Force to catch it but struggles.

REY

What are you doing?

TEEN YODA.

I thought you were all sweet at The Force and stuff?

REY

You can't just toss a ship at me.

TEEN YODA.

I didn't toss it. I was playing with it and I let go. Boy you're weak haha.

REY

It's not funny.

TEEN YODA.  
Fine, I'll help you.

Yodie starts using the Force on the ship again.

REY  
I'm not weak I can do it.

TEEN YODA.  
No you're wobbling it all around.

REY  
Stop!

TEEN YODA.  
I've got this.

ROSE  
Hey guys I think someone should put  
it down.

REY  
That's what I'm trying to do. Yodie  
stop.

TEEN YODA.  
No you stop.

ROSE  
Guys seriously.

TEEN YODA.  
Fine!

REY  
Fine!

The ship plummets out of the sky. Rey last minute tries to  
catch it but it's too late, the ship crashes.

ROSE  
That was our only way off this lame  
ass mudball!

TEEN YODA.  
Lame ass? Mudball? My home this is...  
my home. How dare you call it lame  
and muddy and whatever.

REY  
You broke our ship!

TEEN YODA.  
You have done that yourself.

REY  
Enough! I am tired of this guy.

TEEN YODA.  
Hey I'm not fond of you either  
sweetheart.

REY  
Do not call me sweetheart. Where are  
your parents?

TEEN YODA.  
Wow you're gonna tattletale on me? Real  
mature. I live here alone.

ROSE  
Come on. You're just a teen. You do  
not live alone.

TEEN YODA.  
I do.

A voice calls out from the distance. It's Ahsoka Tano,  
former Jedi Knight.

AHSOKA  
What is going on here?

Ahsoka sees the mess Yodie made.

AHSOKA (cont'd)  
Yodie! You have some explaining to do  
young man!

TEEN YODA.  
Mom it's not my fault.

REY  
You're his mother?

AHSOKA  
Hi, I'm Ahsoka, you must be Rey. The  
Force has told me a lot about you.

Ahsoka wipes her hand on her apron then shakes hands with  
Rey.

REY  
It has? Hm I guess it has.

AHSOKA

I'm so sorry about my son. He may be 80 years old but he acts like a darn teenager.

ROSE

So you're also a Jedi?

AHSOKA

Not for a very long time. You don't need to be a Jedi or a Sith to use the Force. Are you ladies hungry? I'm making snake chops?

TEEN YODA.

Oh boy snake chops!

AHSOKA

No snake chops for you mister!

TEEN YODA.

Aw mom!

AHSOKA

You are so grounded. Wait until I tell your father.

TEEN YODA.

That's totally unfair. I can fix it really.

AHSOKA

Yodie, that's enough. Let's go.

Ahsoka and Yodie start heading down the path. Ahsoka pauses and turns back.

AHSOKA (cont'd)

Rey, Rose don't be scared follow us.

Rey and Rose follow behind.

REY

(whispers)

What's snake chops?

ROSE

(whispers)

I'm guessing like pork chops.

REY

Yuck.

DISSOLVE TO:

INT. THE TANTRUM IV. DAY

Kylo is in his bed enjoying a nice long nap. He's even got one of those little sleeping caps and a teddy wookie. Hux knocks on his door. FO-66 answers.

FO-66  
Please be quiet the Supreme Leader is asleep.

HUX  
But we are getting reports across the galaxy of rebel sightings.

FO-66  
Let's not interrupt his slumber. Try again in an hour.

Kylo tosses over.

KYLO  
(sleep talking )  
Mommy can I get more blue milk?

HUX  
Oh... okay.

Efoh shuts the door on Hux's face as he stands there.

DISOLVE TO:

INT. WEAPONS DEPOT. NABOO. DAY

Artoo leads Leia and the rest of the rebels to a vault on the back side of the palace under a big tree. The vault has been sitting untouched for several years. They see there is an electric lock to get in but luckily for them Artoo knows the password.

POE  
Good job Artoo!

BB-8 beeps and lowers his head.

POE (cont'd)  
Hey buddy I give credit where credit's due.

Poe walks deeper in with his flashlight and finds a breaker box. He flips the switch and the lights flicker on. Spider webs and dust line the walls. The shelves are stacked with all manner of old artifacts from the Queen Amidala days.

LEIA

Oh my. Look at all this stuff.

Finn picks up an old Queen Amidala doll.

FINN

This is your mom?

LEIA

Yes, she was the youngest queen of Naboo. Her people loved her dearly. I actually had a doll just like this when I was a little girl. It's all I knew of my birth mother. Just these images.

Poe digs around and finds a lot of guns and grenades.

POE

Jackpot!

AKBAR JR.

We can do major damage with this!

NIEN NUNB

Yub yub haha

LEIA

Alright folks grab what you can and let's get out of here.

Finn picks up a blaster and behind it there's a chest. He opens the chest and finds a lightsaber.

FINN

Whoa!

LEIA

Be careful with that.

FINN

What? I've held a lightsaber before.

Finn turns it on but holds it upside down. The green blade slices through his messenger bag. Finn is so scared he drops the lightsaber immediately. Leia picks it up again. She shakes it at him.

LEIA  
This is not a toy!

FINN  
Sorry sorry!

Leia hangs the lightsaber from her waist.

LEIA  
This stuff has been sitting around  
for decades. Use caution.

At that moment an old woman creeps up to the entrance. She's roughly 85 years old but still looks good. She is dressed in a red robe. Her dark hair is pulled back and under a head covering of sorts. Her name is Dawna Sintori (new character), a former handmaid to the queen.

DAWNA  
This is a sacred place. Who are you  
people and what are you doing here?

FINN  
(snickering to  
himself)  
Uhoh, busted.

LEIA  
I am Leia Organa-

DAWNA  
Princess Leia! Please forgive me! I  
didn't know!

Dawna bows before Leia.

LEIA  
Just Leia is fine, or General.

DAWNA  
Nonsense, on this planet you're  
royalty. What can I do for you, your  
highness?

LEIA  
Who are you ?

DAWNA  
Please forgive me. I am Dawna  
Sintori. I'm a former handmaid to  
your mother Queen Amidala and the  
current keeper of her secret stash.

LEIA

Great. So can you help us We need to find a place to set up camp and any fighters you have to join The Resistance.

DAWNA

Naboo is pretty peaceful these days but there is an old training ground just on the other side of the lake. I can take you there.

LEIA

Thank you.

DAWNA

As far as soldiers I'm sure I could round up a few eager youngsters to fight for a good cause.

LEIA

Thank you Dawna. You are way more helpful than Jar Jar.

DAWNA

Yeah... I respect his devotion to his religion but sometimes I feel he's out of touch with reality. That's no judgment on the religion itself just this one individual that practices it. But then again what do I know? Haha.

LEIA

Alright let's get started.

DISSOLVE TO:

INT. THE KIBOSH. DAY

Quantis is pacing up and down the bridge as his ship travels aimlessly at light speed.

KIBOSH

Actually make it Hoth. No wait. Dantooine. No. Um. Coruscant.... yeah! No wait, that's an awful idea. Gar. Okay fine. Go to the the third moon of Rigel VII. Yeah.

RANDOM BRIDGE OFFICER 1  
Alright sir. Setting a new course  
for... Rigel VII

RANDOM BRIDGE OFFICER 2  
(to officer 1)  
That's not even a real place.

RANDOM BRIDGE OFFICER 1  
I know but I'm just trying to keep  
him happy.

LANDO  
Hey buddy it's been fun but I would  
like to go home now.

QUANTIS  
Yeah... I would like to take you  
home...

LANDO  
Great let's go.

QUANTIS  
But uh I know Kylo Ren will be there  
soon. Trust me you don't want to mess  
with him.

LANDO  
Don't worry, I'll stay out of his  
way.

Quantis grabs Lando by the shoulder and leans into him.

QUANTIS  
(whispering)  
Alright well... I don't want to mess  
with him, get it?

LANDO  
(whispering)  
So you're running away?

QUANTIS  
No! ... no. I am just...

LANDO  
Just what?

QUANTIS  
... I don't know.

LANDO

Man you can't do this forever. Sooner  
or later you'll have to face the  
music.

QUANTIS

You may be right.

RANDOM BRIDGE OFFICER 1

Sir we are getting a transmission  
from a First Order ship.

QUANTIS

Oh shit! I mean... uh.

LANDO

Do the right thing man.

QUANTIS

Drop us out of light speed.

RANDOM BRIDGE OFFICER 1

Aye sir.

QUANTIS

(to Lando)

Duck down.

They drop out of light speed. Lando hides in the corner.

QUANTIS (cont'd)

Alright let's see who's calling.

A hologram of Phasma in the funky outfit and mask is  
displayed.

PHASMA

Commander Quantis I presume.

QUANTIS

Yeah, who the heck are you ?

PHASMA

Captain Phasma of course.

QUANTIS

But I thought Captain Phasma was d-

PHASMA

I'M NOT DEAD!

QUANTIS

You don't even look like Phasma.

PHASMA

Where are you?

QUANTIS

Uh we are in the Beshpin system.

PHASMA

Oh that's interesting because so am I.

QUANTIS

You are?

PHASMA

Well... yeah... but you're not which is obvious.

QUANTIS

Sure I am. It's a big system.

PHASMA

I tire of these games! I will bring you before Supreme Leader Snoke! ... I mean Kylo Ren. Sorry, I'm still getting used to it.

QUANTIS

I know right. But yeah no, you can't find me so good luck! Over and out!

Quantis closes communications.

QUANTIS (cont'd)

Guys, I think we're in trouble.

RANDOM BRIDGE OFFICER 1

Yeah no kidding. I don't want to be executed.

QUANTIS

No one is gonna be executed.

RANDOM BRIDGE OFFICER 2

Yeah I don't think it will be all of us, just Quantis. We were just following orders.

Phasma's hologram calls back and interrupts.

PHASMA

Did you just hang up on me?

QUANTIS

I said over and out! and I'll say it again. Over and out!

PHASMA

Hold up, let's make a deal. If you come back here in one hour I'll go easy on you, I'll even let your crew go. After all they were just following orders.

RANDOM BRIDGE OFFICER 2

See told ya.

PHASMA

But if you make me wait longer than an hour I will get very mad. So mad that I might destroy Cloud City and everyone in it!

Lando jumps to his feet.

LANDO

No! That's not part of the deal!

PHASMA

Ah there you are Mr. Lando. Wow you are pretty handsome for an old guy, I can see why Jannah would fall for you.

LANDO

Well it's mostly for my money but yeah. If you hurt a hair on her head I'll kill you!

PHASMA

She's fine, everyone is fine... for now. But you know what I want. ...  
OVER AND OUT!

Communications end.

LANDO

We need to go back

QUANTIS

No.

LANDO

What do you mean no? She's gonna kill Jannah.

(MORE)

LANDO (cont'd)  
The First Order will find us anyway  
and the innocent will pay the price.

QUANTIS  
Yeah but if we go back I'm for sure a  
dead man.

LANDO  
You're dead either way.

QUANTIS  
We could run. They might not find me  
in the outre rim.

LANDO  
Maybe but I will and trust me, I'm no  
stranger to killing a guy to get what  
I want. I may seem smooth on the  
outside but deep down I'm a killing  
machine! RAWR!

Quantis looks on in a cold sweat as the shadow of Lando  
looms over him.

DISSOLVE TO:

INT. YODIE'S HOUSE. DAY

A lovely two story shack in the middle of a swamp. It's  
rustic but in a good way. Ahsoka leads Rey and Rose inside.  
Yodie brings up the rear. Ahsoka takes off her shoes and lay  
them by the door. Rey and Rose follow her example.

AHSOKA  
(loudly)  
Honey I'm home.

A deep man's voice grumbles from upstairs. Yodie runs into  
the house past his mom.

AHSOKA (cont'd)  
Yodie! Set the table for five.

TEEN YODA.  
But mom I want play Muscle Masher.

AHSOKA  
You can play your electronic game  
later, we have guests.

TEEN YODA.  
But mom!

AHSOKA

Yodie!

TEEN YODA.

Alright mom.

Yodie sulks off to the kitchen, haphazardly grabbing plates and silverware, placing them on the table. Rey and Rose grab a seat in the kitchen as Ahsoka pulls the snake chops out of the oven.

A man in Mandalorian armor clinks down the stairs. It's Mando!

MANDO

What's for dinner?

AHSOKA

Honey I want you to meet Rey and Rose. They're visitors from the Resistance.

Mando has a seat at the table.

MANDO

That's still going?

AHSOKA

Well apparently so. They're here to train with Yodie.

MANDO

Jedi?

REY

Well just me sir.

Rey extends her hand for a handshake.

MANDO

Mando.

REY

I'm Rey sir, I'm here to learn the ways of the Force.

MANDO

Is that so?

Mando turns to Rose.

MANDO (cont'd)

and who's this?

ROSE

I'm Rose.

MANDO

Are you a Jedi?

ROSE

Who me? No, I am ... a nobody.

MANDO

I see.

REY

She's my baby sitter.

TEEN YODA.

You need a baby sitter? Weak.

AHSOKA

Yodie I swear...

ROSE

I'm just a friend, helping another friend in need, you know ... in case she needs it.

REY

We are stronger together. Brighter in the darkness and ...

MANDO

I get it. you're a team. I learned a long time ago that the lone wolf routine gets old. I never thought I would settle down until I found this little rascal.

Mando rubs Yodie's head.

TEEN YODA.

(embarrassed)

Daaaad!

AHSOKA

He truly is our little blessing.

ROSE

Aw that's sweet.

REY

Thank you very much for having us here, for dinner.

(MORE)

REY (cont'd)  
It's lovely but I must insist we get started with training. The First Order will soon take over the entire galaxy.

AHSOKA  
Well then... where should we begin?

REY  
What is Yodie's specialty?

AHSOKA  
Skateboarding

The whole table laughs.

REY  
No seriously. I heard he was a great and powerful Jedi Master.

MANDO  
My boy is strong with the Force but he's no Jedi.

Rey slams her hand on the table

REY  
(frustrated )  
Then what are we doing here!

ROSE  
Rey!

AHSOKA  
Yodie lacks discipline, but he's only a teen. What's your excuse?

REY  
I...

AHSOKA  
If you need training I will train you. I understand the galaxy needs you but you need patience young patowan. We will do this my way.

REY  
Yes ma'am. Of course. Thank you. Sorry for-

AHSOKA  
It's fine, it's fine. How's the food?

Mando feeds himself under his helmet.

MANDO

Great dear.

ROSE

It's ... Snaky.

TEEN YODA.

Mom I'm done. Can I go now?

AHSOKA

Go ahead.

TEEN YODA.

Yippie!

Teen Yoda runs away.

AHSOKA

Rey, let's start with some lightsaber training?

REY

Well see the thing is... I kinda broke my lightsaber.

AHSOKA

You broke Luke's legendary lightsaber?!

REY

How did you know-

ROSE

The Force Rey! It's always the Force!

Ahsoka nods.

AHSOKA

Right, well since you don't have a lightsaber we will get you a new one.

REY

You have a extra one?

AHSOKA

Dear you can't have one of mine. You must make your own.

REY

And where can I do that?

AHSOKA  
Only one place in the galaxy, but  
it's kinda sketchy.

MANDO  
Are we leaving now?

AHSOKA  
Yes, no time like the present.

Ahsoka and Mando stand up. Ahsoka puts the plates in the  
sink.

REY  
Wait where?

MANDO  
I'll gas up the ship.

ROSE  
You have a ship?

AHSOKA  
Mando darling maybe you should hang  
back on this one?

REY  
Ma'am?

MANDO  
This place is crawling with unsavory  
types.

REY  
What place?

AHSOKA  
Fine you can come but who will watch  
over Yodie? Rose?

ROSE  
Oh no, count me out.

MANDO  
Let's bring him, make it a family  
trip.

REY  
Where are we going?

AHSOKA  
You just said it was dangerous.

ROSE  
I'm not really a baby sitter.

MANDO  
We both know he can take care of himself.

AHSOKA  
you're right I don't trust him here alone or with a stranger. No offense.

ROSE  
None taken ?

MANDO  
(yelling upstairs)  
Yodie come down here! We're leaving.

REY  
Where?

Yodie runs downstairs.

TEEN YODA.  
Awww dad do I have to go?

ROSE  
I'm coming too right ?

AHSOKA  
Of course dear.

MANDO  
Yes boy get down here. Kids am I right?

AHSOKA  
Looks like we're ready to go.

REY  
Where exactly?

AHSOKA  
Why to Batuu of course. The happiest place in the galaxy.

CUT TO:

EXT. DAGOBAH. DAY

The Razorcrest (Mando's ship) flies away from the planet with everyone on board.

Once the ship is out of view the ship of the Knights of Ren dispatch from behind an asteroid and follows The Razorcrest.

DISSOLVE TO:

EXT. TRAINING GROUND. NABOO. DAY.

Leia and the gang are gathering forces from all around and bringing them to Naboo. Chewie lands with a cargo ship full of Wookies, ready for the fight. Akbar Jr lands a couple of cruisers with his people and a few other fishy folks. Lastly Finn lands the Jedi star fighter this time with Poe on his lap. Leia see's this and shakes her head.

LEIA

Guys! What are you doing? We have plenty of ships. You didn't have to-

FINN

Yeah but Poe wanted to settle a bet.

Poe slips Finn a \$5.

POE

You're right being on bottom was more comfortable.

FINN

Leia we have good news.

LEIA

Are you gonna save me money on my ship insurance?

FINN

What? No. Guess who we ran into?

LEIA

Finn I have no time for guessing games.

POE

It's Maz Kanata.

FINN

(giddy)

And she's bringing a whole bunch of X-Wings.

LEIA

That is good news.

FINN

I can't wait to fly one of those bad boys.

POE

Finn we never agreed to that.

FINN

Come on Poe...

A gust of wind kicks up. Maz's transport lands, it's carrying roughly 10 X-Wings. Maz exits her ship as she's greeted by Leia with open arms.

LEIA

Maz!

MAZ

Leia, it has been too long.

The two hug.

MAZ (cont'd)

I want you to meet my boyfriend.

LEIA

Oh?

Babu Frik crawls out of Maz's pocket.

MAZ

This is my handsome man, Babu Frik.

BABU

Droid is ready!

FINN

(to Poe)

How does that even work?

Poe elbows Finn in the side. Finn grunts.

LEIA

Nice to uh meet you Babu.

BABU

Yabba dabba!

MAZ

I heard you could use some help. I brought you some more ships.

FINN  
Can we take a look at them.

MAZ  
Go right ahead.

FINN  
Yippie!

Finn and Poe run inside. Leia rolls her eyes.

MAZ  
Those boys are so excited.

LEIA  
You have no idea.

BABU  
Baba ba!

Babu hops down and rides on BB-8.

MAZ  
Babu can fix anything.

LEIA  
That's great. Say Maz, thank you so much for coming but I'm just curious...

MAZ  
Speak your heart my child.

LEIA  
Not your child but ok. So at the battle of Crait we sent a distress call to the entire galaxy but no one came to help us. Not even you. It was a very sad time for all of us. But now people are coming out of the woodwork to help us, why?

MAZ  
A good question and a story for another time.

LEIA  
Nanannananana! None of that! You tell me and you tell me now.

MAZ

Leia, the galaxy loves you! But it just so happened at that very moment we were all out for lunch.

LEIA

Wait all of you? At the same time? That doesn't make any sense.

MAZ

it's true.

LEIA

How come no one called back.

MAZ

You never left a voicemail.

Leia's face starts to twitch.

MAZ (cont'd)

You doing okay?

LEIA

Yeah yeah....

MAZ

Leia... I have something you may not want to hear.

CUT TO:

INT. WAR ROOM. NABOO. NIGHT

Leia and all the rebels gather to discuss their latest tactics to defeat the First Order.

LEIA

I'm gonna get right to the chase. Even though our numbers have grown we still face an immense challenge. Our enemy will stop at nothing until it has spread it's darkness across the galaxy. Maz Kanata has more information.

Maz takes the stage next to Leia.

MAZ

Thank you Leia. My confidential  
inside source tells me that Kylo Ren  
has been gathering his sharpest minds  
to concoct a devious plan.

LEIA

Which is?

MAZ

Well, I don't know yet but I'm sure  
it will be wicked.

Leia shakes her head.

MAZ (cont'd)

He's on his way to Cloud City right  
now.

A gasp comes over the crowd.

FINN

He's on to us!

POE

Shut up Finn.

LEIA

Alright I'm getting too old for this.  
We will end this once and for all. I  
am tired of playing defense, we need  
to make the first move. Hit them hard  
and fast. They will never see it  
coming.

POE

Just so we're clear-

LEIA

Load up, move out, we are going back  
to Cloud City people!

FINN

What about Rey?

LEIA

Oh yeah... well she can meet us there  
too.

POE

General don't you think you're  
rushing things a bit?

LEIA

I've sat on the sidelines too long.  
It's time to confront my son head on.

POE

Alright you heard the lady. LET'S  
MOVE MOVE MOVE!

The team scrambles.

DISSOLVE TO:

EXT. BATUU. NIGHT

Rey, Rose, Yodie, Mando and Ahsoka all navigate the rough  
and tumble streets of The Black Spire Outpost of Batuu. A  
bunch of funky looking weirdos walk past.

Ahsoka leads them to the lightsaber smith.

AHSOKA

Alright this is a very sacred place.  
So from here on out it's just me and  
Rey.

TEEN YODA.

Ah mom I want a new lightsaber.

AHSOKA

What's wrong with your old one?

TEEN YODA.

I ... I just. I just want a new one.

ROSE

I kinda want one too.

AHSOKA

But you're not a Force user.

ROSE

Don't you think if we all had one we  
could stand a better chance.

AHSOKA

Or you could chop your arm off. No  
way.

MANDO

Come on kiddos. I'll take you to  
Build-a-Droid.

ROSE  
That's not nearly as cool.

TEEN YODA.  
Yeah droids suck.

Rose sees she's acting a bit childish and respects Mando's offer.

ROSE  
Actual I think we could use a droid.

MANDO  
Very well.

Mando points to a shop down the alley.

MANDO (cont'd)  
This is the way.

TEEN YODA.  
Can we get ice cream dad?

MANDO  
If you're good.

Mando, Rose and Yodie leave.

Ahsoka and Rey enter the scavengers den, a dark and eerie dwelling. They are met by a funny looking turtle man named Tanbol Rink (new character).

TANBOL  
Ahsoka you have some nerve coming  
back here after your brat-

AHSOKA  
Tanbol that's ancient history.

TANBOL  
It spooked half my clientele and  
business has been sluggish ever  
since.

AHSOKA  
We'll make it up to you. We can pay  
you double.

TANBOL  
400 credits it not nearly enough to  
make up for the loss of business.

AHSOKA

Tanbol, all we've been through. Are you-

REY

Sir the fate of the galaxy hangs in the balance.

TANBOL

Are you a Jedi miss?

REY

Yes

TANBOL

Then I'm afraid we're all doomed.

Tanbol has a good laugh.

TANBOL (cont'd)

I'm just teasing.

REY

I promise, we will bring down the First Order and when we do I will start a new school for Jedi and ...

TANBOL

And?

REY

And I promise you will be our exclusive supplier of lightsabers.

TANBOL

You promise? So you wont lie and run off to Junkyard Sally's?

REY

Who is Junkyard Sally?

AHSOKA

I didn't even know there was another option. Maybe we will go there. Come on Rey.

TANBOL

No wait! Okay come in, make a lightsaber. Please.

AHSOKA

That's more like it.

Tanbol leads them to the basement where the sabers are made.  
It's a very dark and creepy down there.

TANBOL  
Let us begin.

INT. BUILD-A-DRIOD. NIGHT

Rose is piecing together a cute little robot. His name is  
BB-64.

ROSE  
Wow what a cute droid.

MANDO  
Yep. Let's roll out.

TEEN YODA.  
What's his function?

ROSE  
Well he's pretty basic.

TEEN YODA.  
Meh.

ROSE  
(to Mando)  
So, you never take off your helmet?

MANDO  
No.

ROSE  
Are you a Yoda under under there?

TEEN YODA.  
Oh snap.

MANDO  
No.

ROSE  
I'm just confused.

MANDO  
We adopted Yodie, we tried to find  
his people but we couldn't okay? Yoda  
isn't the name of the species but  
it's the best we got.

ROSE  
I-I'm sorry. I didn't mean to-

MANDO  
I love my son!

TEEN YODA.  
Daaad!

MANDO  
Let's get that ice cream.

TEEN YODA.  
YES!

Rose hangs her head in shame but follows behind to get ice cream.

Tanbol brings out a tray of kyber crystals. 2 blue, 1 green, 1 purple.

TANBOL  
Now, reach out with your feelings.  
Feel the force flowing through you.  
Feel the Kyber crystal calling to  
you.

Rey closes her eyes and senses all the crystals on the tray. Her hand hovers over a blue one and then she stops.

AHSOKA  
What's wrong Rey?

REY  
I don't sense anything calling to me.  
You wouldn't happen to have any more  
would you?

TANBOL  
Oh I see. Well I do have a few more  
in the back.

AHSOKA  
Are you sure you're okay?

REY  
I just... felt... distant.

Tanbol returns with a larger platter this time with a sheet covering the crystals.

TANBOL  
Try again, this time let the Force  
really guide you.

Rey closes her eyes. Tanbol sets the platter on the table  
and grabs Reys hands.

TANBOL (cont'd)  
Keep your eyes closed. Tight shut.  
Now feel the Force.

Tanbol removes the sheet and exposes 12 crystals, 4 green, 5  
blue, 2 purple and 1 red. Rey moves her hand above the  
crystals slowly. She hovers over a blue one for a bit but  
then is drawn to the red one. Her hand whips over there like  
it's being pulled. The red crystal starts to glow. Ashoka  
looks on in panic.

REY  
I've never felt anything like this.

Rey gets a flashback of her parents leaving her and Kylo  
telling her her parents are nobodys. She winces. She gets  
more flashes of being alone and unloved.

The crystal glows brighter. A wild wind sweeps through the  
room.

AHSOKA  
Rey!

Rey moves closer to the crystal.

AHSOKA (cont'd)  
Rey!!

A hush comes over the room. Rey is transported inside her  
mind where she hears a familiar voice.

LUKE  
Rey.

REY  
Master Skywalker?!

Her mind is a white blank void. Only Luke and Rey exist  
there.

LUKE  
Rey. I was wrong. I turned my back on  
the Jedi because I was afraid. I saw  
Ben going to the dark side.  
(MORE)

LUKE (cont'd)  
He felt the same temptation I felt,  
what you feel now. It doesn't have to  
go this way.

REY  
(crying)  
I don't know what to do.

LUKE  
Your life was filled with betrayal  
and loneliness but the Force is with  
you. Don't dwell on the past, look to  
the present. That's a lesson I had to  
learn the hard way.

Reys thoughts fade from her parents leaving to the day she met Finn, Han, Leia, Luke and all the rest. Her thoughts of being teased as a child fade into thoughts of dancing and laughing with her new friends. She is overcome with emotion. The room starts to shine white with light.

LUKE (cont'd)  
The Force will be with you always.

Luke fades away and Rey is seen back in the scavenge pit. Her hand wrapped around a crystal.

AHSOKA  
Rey? What happened? Are you alright?

Rey extends her arm and reveals the crystal she chose. It's yellow.

TANBOL  
Yellow?! Where did that come from?

AHSOKA  
What in the world.

The crystal levitates into the hilt of Rey's lightsaber. Rey then turns on her lightsaber. The yellow blade is shining bright for all to see.

TANBOL  
How do you feel ?

REY  
I feel right.

INT. THE TANTRUM IV. DAY

Kylo's ship finally reaches Cloud City. Kylo is in his chambers snoozing away when his alarm clock goes off. He uses the force to grab his lightsaber from across the room and slice the clock while still in bed.

KYLO  
(half asleep)  
No I can't go to Exogol, I'm not wearing pants.

FO-66 stands staring at Kylo.

FO-66  
Good morning sir.

KYLO  
It's morning?

FO-66  
Well... no. It's actually getting closer to night here at Cloud City but day and night are relative when you're traveling through space.

KYLO  
Did you say cloud City?

FO-66  
Yes sir, we just arrived.

KYLO  
How long have I been sleeping?

FO-66  
Nearly 10 hours sir.

KYLO  
And no one was gonna wake me?

FO-66  
I thought it would be rude.

KYLO  
How can I even nap for 10 hours!?

FO-66  
Well you did do a bit of drinking sir.

KYLO  
Oh yes, that's right. Oof my head.

Hux knocks on the door and let's himself in.

HUX  
Is he awake?

KYLO  
What do you want Hux?

HUX  
Put your shoes on Ren, we're here.

KYLO  
Why are we at Cloud City?

HUX  
The rebels right?

KYLO  
Are the rebels here?

HUX  
No they are long gone, I tried to  
wake you up but-

KYLO  
You are useless!

Kylo throws his arms in the air.

HUX  
Well Phasma is here.

KYLO  
I don't care! I want the rebels!

Phasma busts in.

PHASMA  
Sir I am grateful for the back up but  
I-

KYLO  
For crying out loud Efoh how many  
people are you gonna let in here? I'm  
hardly dressed!

PHASMA  
I don't mind.

HUX  
I'm sure you don't

KYLO  
What the hell are you wearing?

PHASMA  
I'm going for a new look.

KYLO  
Take that ridiculous thing off!

The warning alarm goes off.

FO-66  
Sir it seems a ship has entered the  
system.

Hux runs to the bridge.

KYLO  
What ship?

FO-66  
It appears to be Quantis.

PHASMA  
So he came back. I'm impressed. Sir  
I'll deal with him.

KYLO  
Go ahead. I'll get dressed.

Phasma runs off.

CUT TO:

INT.TANTRUM BRIDGE. DAY.

Hux stands in command, waiting for Ren to put on some pants.  
He looks out the window to see the other star destroyer.

HUX  
Open a channel. Commander Quantis for  
your cowardliness of running away  
after royally screwing up we hereby  
place you under arrest. Consider  
yourself lucky we don't kill you on  
the spot. Prepare to be boarded.

Hux waits a moment, no reply.

RANDOM BRIDGE OFFICER 1  
No reply sir, and their shields are  
up.

HUX

Quantis this is no time for games.  
Lower your shields and prepare to be  
boarded! That's an order!

PHASMA

(over the radio)

Don't worry Hux ol' boy, I got this  
one.

Phasma flies her little ship close to the Kibosh.

PHASMA (cont'd)

This is your last chance, give up  
peacefully you traitorous snake!

INT. KIBOSH STAR DESTROYER. DAY

Lando is now in command of the star destroyer. He is wearing  
the little hat and everything.

LANDO

You got the wrong man... man.

PHASMA

Who is this?

LANDO

I am the one and only Lando  
Calrissian. Owner of Cloud City and  
the new commander of this ship.

PHASMA

What?!

INT. TANTRUM IV. DAY

HUX

Lando Calrissian. Known Rebel? What's  
he doing there?

Kylo walks on the bridge.

KYLO

Did I hear correctly? Lando  
Calrissian stole a star destroyer?

HUX

He's in there right now.

KYLO  
Where is Quantis?

LANDO  
(over the radio)  
I have Quantis in the back. He's  
alive and well. I will turn him over  
to you if you leave Cloud City now.

KYLO  
Did he just make a demand? I don't do  
demands. Target that ship, blow it  
out of the sky and then destroy Cloud  
City!

INT. KIBOSH STAR DESTROYER. DAY

KIBOSH BRIDGE OFFICER 2  
Sir they locked weapons

LANDO  
Take evasive maneuvers.

The siren inside the ship goes off as it starts to descend.  
Quantis is in the back tied to a pipe.

QUANTIS  
HELP!

LANDO  
Shut up!

As the ship falls from Kylo's line of sight he matches the  
angle. Phasma tries to get behind the ship to sneak in.

KIBOSH BRIDGE OFFICER 2  
It looks like Phasma is trying to  
sneak aboard somehow.

LANDO  
Are the shields up?

KIBOSH BRIDGE OFFICER 2  
yes.

LANDO  
Then hold your fire. I will not be  
taking the first shot.

INT. TANTRUM IV. DAY

HUX

They are trying to pull a X4 maneuver.

KYLO

What does that mean ?

HUX

Means they are being sneaky.

KYLO

Enough of this. Fire at will.

HUX

What about Phasma? She's in the way.

KYLO

I changed my mind. Don't fire at will... Fire now!

Kylo's ship opens fire PEW PEW. Phasma almost gets hit by a few shots.

PHASMA

What are you dummies doing? I'm out here!

KYLO

Keep it going.

INT. KIBOSH STAR DESTROYER. DAY

LANDO

Are the shields holding?

KIBOSH BRIDGE OFFICER 2

Yes sir.

LANDO

Drop us down lower, angle the deflector field. I want a clean shot of their under belly.

KIBOSH BRIDGE OFFICER 2

Okie dokie.

The ship drops lower and is at a near 45 degree angle below Kylo's ship.

LANDO

Fire!

The Kibosh fires at the underbelly of Kylo's ship which creates a mighty rumble in the ship.

KYLO

ahah! What's going on?

HUX

He's targeting our weak point.

KYLO

Why do we have a weak spot!? Ugh!

HUX

Scramble the fighters! All of the fighters!

A swarm of TIE Fighters fly out targeting Lando's ship.

INT. KIBOSH. DAY

LANDO

We need to launch our TIEs!

The bridge officer hesitates.

LANDO (cont'd)

Come on dude. You're a dead man anyway. Might as well go out fighting!

KIBOSH BRIDGE OFFICER 2

...Launch the fighters.

Two TIEs launch from the Kibosh launch bay.

LANDO

Two? That's it?

KIBOSH BRIDGE OFFICER 2

The rebels destroyed the rest.

LANDO

Well this sucks.

QUANTIS

We're all gonna die!

Both star destroyers are firing at each other with many TIEs flying around. Phasma is caught in the crossfire.

PHASMA  
You crazy guys!

TANTRUM BRIDGE OFFICER 2  
We're taking heavy fire!

HUX  
Do not let up until we destroy the  
traitors!

Phasma's ship is clipped but still flyable. She goes into a head-spin but regains control. It flies like crap but it's still in the air.

PHASMA  
Ha! You think you can kill me? I've  
died more times than I can count. I  
AM CAPTAIN PHASMA AND NOTHING CAN  
KILL ME!

At that moment the rebels enter from light speed running over Phasma like a bug on a windshield.

LEIA  
Chewie we came in too close!

CHEWIE  
GRALAWALAAAAA!

POE  
He's already here! Kylo Ren is here!

FINN  
Are these star destroyers fighting  
each other?

SNAP WEXLEY  
Which one is on our side?

LANDO  
Leia! Glad you could make it!

LEIA  
Lando what are you doing in there?

LANDO  
It's a long story. How do you like my  
new ride?

LEIA  
Looks like we got here just in time.

HUX  
Look sir Rebels!

KYLO  
Really Hux? You think I can't see  
that?

Hux scrunches up his face then turns from Ren and back to  
the battle.

HUX  
Fighters focus on the rebels! We will  
take out the Kibosh.

Lot of shooting and fighting and flying. PEW PEW PEW.

Ben senses his mother.

KYLO  
Mother.

LEIA  
Ben?

KYLO  
It's Kylo, mom. I'm evil now.

LEIA  
It's General now, not mom. And I'm  
gonna whoop your ass.

KYLO  
You can't kill me.

LEIA  
Boy I didn't say I was gonna kill  
you. Now bend over for your ass  
whoopin.

Kylo is rattled.

LEIA (cont'd)  
I want all ships to attack the big  
star destroyer. Disable it. I want  
Kylo... Ben alive.

KYLO  
I will do what I must. Fire  
everything at that lead cruiser!

Kylo walks to the window and puts his hand up against the  
glass.

KYLO (cont'd)  
Sorry mom. I'm still not strong  
enough.

Kylo is in his own little world as the battle rages on. Hux  
receives a communication from the Knights of Ren.

HUX  
Supreme Leader we just got word from  
the Knights of Ren.

Kylo perks up.

KYLO  
Did they find Rey?

HUX  
Yes sir and they are on their way to  
dispose of her now.

KYLO  
No! Tell them to stand down.

HUX  
But sir-

KYLO  
I want to deal with her myself. Prep  
the ship. We're going to... where are  
they Hux?

HUX  
Batuu sir but I suggest letting the  
Knights take care of it. They are  
already there and we are here. We  
can't fly off the edge of the galaxy  
for one girl. Plus we are in the  
middle of combat.

KYLO  
I don't care. MY WAY!!! MY WAY OR THE  
HIGH WAY!!!

HUX  
Alright alright! Folks, pack it up,  
we're going to Batuu.

The TIES fly back into Kylos ship.

FINN  
Yeah you better run!

POE

Why are they pulling back?

LEIA

Somethings not right here.

FINN

Who cares. We won.

LEIA

We won nothing Finn. As long as the First Order is still oppressing people in the galaxy then we lose!

POE

Leias right.

The Tantrum IV packs up and zips out of there on it's way to Batuu.

LEIA

Where are they going? Lando can't you track them?

LANDO

Oh yeah that's right, hold on let me find the switch.

Lando bumbles around.

MAZ

No need, I know where they are going.

LEIA

Where?

MAZ

My inside source said they are going after Rey on Batuu.

FINN

REY!

POE

Calm down.

FINN

Leia please we need to go save her!

LEIA

Rey is a big girl and she can handle things.

FINN

But-

LEIA

we're going but not because of Rey  
but because we need to stop the First  
Order once and for all.

FINN

That's what I'm talking about! Woo!

LEIA

Lando you coming?

LANDO

I don't know... I kinda want to get  
back to Jannah.

LEIA

Don't be a pussy.

LANDO

Wow Leia I can't believe you called  
me-

LEIA

That's for calling me an old hag  
earlier.

LANDO

Alright alright. I'm sorry.

LEIA

You better be.

LANDO

Okay. I'm in.

LEIA

Chewie, punch it.

CHEWIE

Gralwa alala la

The rebels zip off in pursuit of Kylo.

DISSOLVE TO:

EXT. BATUU. NIGHT

In a cave on the outskirts of town Rey and Ahsoka practice  
lightsaber swings while Rose, Yodie and Mando look on.

AHSOKA

Good work Rey. Remember to keep your elbows down.

Rose takes a sip of blue milk and Mando uses a straw under his helmet. Yodie is dazzled by Rey's lightsaber.

TEEN YODA.

Wow I didn't even know they came in yellow. Mom I want a yellow lightsaber.

AHSOKA

Don't be selfish Yodie. You have a perfectly good lightsaber.

Ahsoka and Rey clash back and forth.

TEEN YODA.

Yeah but it's green.

Yodie ignites his green lightsaber.

REY

Green is cool Yodie.

TEEN YODA.

But why green? I want yellow.

AHSOKA

Rey did exactly what you did, the Force was her guide.

TEEN YODA.

Blah. Why does the Force hate me.

Yodie stomps his foot. Mando grabs Yodie by the arm.

MANDO

You are being very ungrateful.

TEEN YODA.

Sorry dad.

MANDO

We'll have words later.

Rey and Ahsoka keep battling. Rey does a flip. Rose finishes her blue milk.

ROSE  
You know what... I realized I'm  
pretty useless here. Like ... why am  
I here.

MANDO  
Don't say that.

ROSE  
But it's true.

MANDO  
But it's emo.

REY  
(yelling)  
Rose you're a good friend. I am glad  
you came with me.

ROSE  
Really?

REY  
(yelling)  
Yes your friendship means a lot to  
me.

Ahsoka gives Rey a little burn on the arm.

AHSOKA  
Never take your eyes off the enemy.

Rey pushes Ahsoka with the force and does a front flip. They  
clash again.

BB-64 comes rolling in beeping like crazy.

MANDO  
What's he going on about?

ROSE  
(to BB-64)  
Are you sure?

Beep beep.

ROSE (cont'd)  
Hey guys looks like we have company!

The Knights of Ren slowly walk in a horizontal line up to  
the mouth of the cave.

Knights of Ren roll call:

Ap'lek -- Vibro-axe

Cardo -- Arm Cannon

Kuruk -- Rifle

Trudgen -- Vibro-cleaver

Ushar -- War club

Vicrul -- Scythe

REY

Rose get me behind me!

Rose runs behind Rey then Ahsoka steps to the front line with Mando by her side.

TEEN YODA.

Bring em on!

MANDO

Yodie, let us handle this.

The Knights of Ren stand in front of the Jedi.

AP'LEK

Stand down, we are here for the girl.

ROSE

Who? Me?

AP'LEK

Are you kidding me? No the ... one that can use the Force.

AHSOKA

Oh me?

AP'LEK

I don't even know who you are.

MANDO

And who are you guys?

AP'LEK

WE ARE THE KNIGHTS OF REN!

TEEN YODA.

Mom who's that?

AHSOKA

Honestly I don't know.

MANDO

I've been to one side of the galaxy  
to another and this is the first I'm  
hearing of you guys.

AP'LEK

Come on, we are kinda a big deal.

REY

They are Kylo Ren's hit men.

AP'LEK

Ah- at least she gets it. We are more  
like ... well okay we're hit men,  
darn good ones at that.

CARDO

Maybe that's why they've never heard  
of us, we are just that good.

AP'LEK

Well maybe but I want some  
recognition.

USHAR

Are we gonna sit her and gab all day  
or are we gonna fight!

AP'LEK

Right. Knights, attack!

The Knights advance a step. Ahsoka ignites her blue  
lightsabers, Mando charges his disruptor riffle, Yodie and  
Rey hang back but both with lightsabers drawn. Rose hides  
behind a rock with BB-64.

USHAR

So we're going after the girl with  
the long hair right.

AP'LEK

That's the one. Rey.

USHAR

Don't need to tell me twice.

Ushar rushes in with his war club swinging. He leaps over  
Ahsoka to get to Rey.

AHSOKA

This guy's fast!

Rey backs up but loses her footing. Ushar clubs her in the arm then Yodie pushes him with the force. Ushar hits the caves wall. Yodie rushes to Rey.

TEEN YODA.

Are you okay?

REY

Ah-ah... I think my arm is broken.

Yodie bends down to heal Rey. Kuruck climbs on a ledge to get a clean shot of Rey. Mando shoots his disruptor at Ap'lek but Ap'lek dodges and lunges at Ahsoka with his vibro- ax she blocks it with her lightsabers. She is surprised her lightsaber is not cutting his weapon.

MANDO

Careful they're using Mandalorian weapons.

Ahsoka pushes Ap'lek back a bit. Cardo shoots Mando with his arm cannon. Mando goes flying.

TEEN YODA.

Dad!

Rose rushes to check on Mando. Mando hops up real quick.

MANDO

I'm fine.

Trudgen and Vircul rush off towards Rey. One on the right and one on the left. Ahsoka is still battling Ap'lek.

AHSOKA

Look out!

Mando punches Trudgen and Trudgen slices at Mando with his cleaver which gashes Mando's armour. Teen Yoda is still trying to heal Rey but he stops to defend her from Vircul and his scythe. Vircul grabs Yodie by the scruff and tosses him down as he takes a large swing at Rey. Rose grabs Mando's riffle and blasts Vircul, he falls back a bit but the tip of his scythe still stabs Rey's shoulder. Rey screams out in pain. Yodie rolls under Ahsoka's legs and kangaroo kicks Ap'lek.

AHSOKA (cont'd)

(to Yodie)

Stay with Rey!

Kuruck has his sniper riffle trained on Rey. Mando and Trudgen tussle.

Yodie rolls back to Rey and heals her broken arm and major cut. Cardo shoots his arm canon at Ahsoka, she deflects it with her lightsaber then does a back flip to defend Rey. Kuruck shoots his sniper blast but Ahsoka deflects that one too.

AHSOKA (cont'd)  
We need to get out of here.

Rose shoots Ushar as he's about to club Ahsoka. Yodie is now fighting Ap'lek. Rey is healed and uses the Force to smack Vicrul and Ushar together. Ahsoka deflects blasts from Cardo and Kuruck. Mando lights Trudgen on fire.

Ahsoka nods her head towards the cave entrance. Yodie uses the force to smash Ap'lek to the ground. Mando shoots darts at the rest of the Knights which stuns them for a bit. The crew runs out of the cave with Rose and BB-64 bringing up the rear.

REY  
Rose! Hurry!

Ushar is the first back on his feet. He chases after rose with club swinging. Rey pulls Rose toward her with the force while Ahsoka and Yodie use the force to clolapse the cave with rocks. Rose lands in Rey's arms. The two hug.

ROSE  
Thanks Rey.

REY  
Just trying to save your life dummy.

The two share a laugh.

MANDO  
We need to keep moving.

AHSOKA  
They will get out.

TEEN YODA.  
Those guys were tough!

AHSOKA  
How you doing Rey?

REY  
Good, I feel great actually. Thanks to Yodie. I thought Force healing only existed in my dream.

TEEN YODA.  
Nope, I can do it!

The group descends down teh mountain towards the town.

DISSOLVE TO:

INT. THE TANTRUM- BRIDGE. NIGHT

Kylo finally arrives at Batuu.

KYLO  
What's the report on the last known  
position of Rey?

HUX  
The Knights tracked her to a small  
cave outside of the Black Spire  
Outpost.

KYLO  
Excellent. I will head to the surface  
alone.

HUX  
Are you sure that's wise Supreme  
Leader?

KYLO  
Are you sure it's wise to question me  
Hux?

HUX  
No but-

KYLO  
But nothing. I'm going down.

HUX  
Why not let the Knights of Ren finish  
her off?

KYLO  
Finish her off? I told you to have  
them stand down!

HUX  
Yeah. I guess I forgot. Oops.

KYLO  
HUX YOU SIMPLETON! YOU TELL THEM TO  
STAND DOWN NOW! GOT IT?

HUX  
Sir I can't contact them-

Kylo begins to Force choke Hux.

HUX (cont'd)  
They ... have.. bad ... signal.

Kylo releases Hux. Hux lays on the floor, gasping for air.

KYLO  
So they are in the cave.

Hux nods.

KYLO (cont'd)  
I will handle this myself.

Hux gets to his feet with his hand on his neck.

HUX  
Yes- yes sir.

Kylo marches out. Hux breaths a sigh of relief. Kylo turns around.

KYLO  
Oh and Hux...

HUX  
Yes Supreme Leader?

KYLO  
You have let me down for the last time.

Kylo snaps Hux's neck with the Force. Everyone on the bridge turns around.

KYLO (cont'd)  
Lora.

Lora looks nervously at Kylo.

KYLO (cont'd)  
You're in charge now.

LORA  
Yes sir.

KYLO  
And please don't disturb me unless more rebels show up.

Lora looks at Hux's dead body.

LORA  
As you command Supreme Leader.

Kylo marches out.

LORA (cont'd)  
(pointing to Hux)  
Well someone clean up this mess!

Storm troopers lift Hux's dead body and carry him away.

CUT TO:

EXT. BATUU. NIGHT

Rey and the gang make it to the outskirts of Black Spire Outpost. Meanwhile the Knights of Ren break free from the cave up above.

TEEN YODA.  
They got out!

AHSOKA  
We need to hurry to the ship!

REY  
You go! They only want me! I'll hold them off!

MANDO  
No offense but you can't. It's six on one.

ROSE  
We are not leaving you Rey! We are ride or die!

AHSOKA  
Well I suggest we ride. Let's go!

The gang runs toward the spaceport.

Kuruk has Rey in his sights and finger on the trigger. Then Kylo's descending shuttle blocks his view. Kuruk stands up. The Rest of the Knights head down to the place where Rey is.

Rey and the rest stop mid run as they see Kylo's shuttle land. Kylo emerges.

AHSOKA (cont'd)  
Is that who I think it is?

ROSE  
It's Kylo Ren.

AHSOKA  
Yep, that's what I was thinking. No helmet though?

ROSE  
He smashed it.

AHSOKA  
Too bad I thought he looked better with it on.

ROSE  
You gotta be kidding.

MANDO  
We can still make it to the Razorcrest if we run.

KYLO  
Rey!

AHSOKA  
It's too late.

REY  
Why are you here Ben?

TEEN YODA.  
(under his breath)  
Ben?

ROSE  
(under her breath)  
Don't ask.

KYLO  
Do not call me Ben. I am Supreme Leader now.

REY  
You make me sick you snake!

KYLO  
Rey I must speak with you. Alone.

REY  
I have nothing to say to you!

The Knights make their way down to Kylo, stand by him. They stand against the Jedi gang. Both sides square up for battle.

AP'LEK

We are here to serve you sir.

KYLO

And you have done well, but I didn't want you to harm Rey, only watch her.

AP'LEK

Apologies Supreme Leader but Hux.

KYLO

Hux is dead!

AP'LEK

What? But I really liked that guy.

KYLO

Yeah well I didn't.

The Knights look at each other as if they know whats coming next.

KYLO (cont'd)

I'm so disappointed in you.

Kylo ignites his blade.

AP'LEK

The feeling is mutual.

Kylo swings at Ap'lek but he blocks the attack with his ax. The other Knights join in on the fight. The Jedi gang stand there with mouths open. They try to make a run for it but Cardo shoots a rocket that blows up the Razorcrest.

MANDO

My ship!

Mando shoots Cardo with his disruptor which sends Cardo flying and his armor falls off. Vircul dashes after Mando and cuts his gun in half with his scythe. The gun starts to overheat. Mando whips it towards Kylo it explodes knocking down Ushar. Rey slices into Virculs armor and then Ahsoka stabs him through the chest.

TEEN YODA.

Mom that was bad ass!

Kuruk takes aim and shoots Kylo in the shoulder.

REY

Ben!

Kylo stumbles a bit then cuts the legs off most of the other Knights with a sweeping motion. Kuruk shoots again but kylo deflects it and it hits Kuruk in the chest. That should be it for the Knights. Any stragglers are dealt with.

Kylo catches his breath, disarms his lightsaber and then looks towards Rey and the gang.

TEEN YODA.

He's a beast.

AHSOKA

Hush up Yodie.

KYLO

Rey.

REY

What is it Ben?

KYLO

I have something to tell you.

REY

You killed your own men. You have gone mad with power.

Kylo takes a step forward.

KYLO

I was hoping to talk to you alone.

REY

You're a monster! I will never-

AHSOKA

It's okay. Hear him out.

A tear comes to Rey's eye. She nods.

KYLO

Rey after our encounter in Snoke's throne room. I can't shake it. We have a connection.

Kylo and Rey look intensely at each other.

KYLO (cont'd)

(soft spoken)

I love you.

REY

... you what?

ROSE

Every guy loves her. It's not fair.

KYLO

I know it may come as quite a shock  
but I truly deeply love you Rey.

REY

I ... I don't know what you're trying  
to do Ben.

KYLO

Since that moment I couldn't stop  
thinking about you.

REY

NO NO! Don't say these things Ben.  
You don't know what love is!

Kylo takes another step forward.

KYLO

I know I've never had these feelings  
for anyone in my whole life, until I  
met you.

REY

Your a monster that kills in cold  
blood.

Kylo takes another step forward and reaches out his hand.

KYLO

Search your feelings. I know you love  
me too.

REY

NO! I told you before I will never  
join you! I will never be an  
instrument of evil.

AHSOKA

(to Mando)

This is getting pretty good.

Rey lights her yellow lightsabers.

REY

Look. It's yellow!

KYLO

I didn't know they came in yellow.

REY

There's a lot you don't know about the Force Ben! I was drawn to the dark side but I resisted. I am loved. Look around me. Look at these people. They all love me.

MANDO

(under his breath-)

Well maybe not "love"

Ahsoka elbows Mando.

MANDO (cont'd)

Oof.

REY

Look at you. Nothing but death surrounds you.

KYLO

You're right.

Kylo starts to tear up a bit.

REY

Why in the world would I ever want to join you? How can you say you love me? You hardly know me.

KYLO

We have shared some intimate moments together.

TEEN YODA.

Ewwwww.

REY

(to Yodie)

It's not like that.

Kylo takes another step forward, and then another.

REY (cont'd)

Stay back!

Rey points her lightsaber at Kylo.

REY (cont'd)

I mean it. Stay back!

KYLO  
I will not fight you.

Kylo throws down his lightsaber and takes a step forward.  
Rey reels back to strike down Kylo. She hesitates.

A gust of wind blows in from above. It's the Falcon. It  
makes a landing. Both Kylo and Rey look up in surprise. Kylo  
takes a step back.

KYLO (cont'd)  
(to Lora)  
Lora, why didn't you warn me the  
rebels were here?

LORA  
(over the radio)  
I dropped the ball on that one. My  
bad.

KYLO  
It's fine. I forgive you.

Kylo looks over at Rey.

KYLO (cont'd)  
See I have turned over a new leaf.

Rey stands with lightsaber pointed directly at Kylo. Leia  
exits the Falcon.

LEIA  
Rey! Ben? What's going on?

KYLO  
Mother.

REY  
General.

LEIA  
Rey put your lightsaber down.

REY  
Kylo is a killer.

KYLO  
So now you're calling me Kylo. What  
happened to Ben?

REY  
I'm so confused.

Leia walks up to Rey and places her hand on Rey's lightsaber.

LEIA  
(softly)  
Put it down.

Rey turns off her lightsaber and puts it down.

Finn, Poe, C-3PO, R2-D2 and Chewie exit the falcon and are all standing around behind Ahsoka as Leia and Rey confront Kylo.

LEIA (cont'd)  
Ben. What are you doing.

KYLO  
I'm sorry mother. I never meant for there to be such an audience.

LEIA  
I don't understand.

REY  
He's confessing his love for me.

FINN  
REY!!!

Poe smacks Finn in the head. Rose turns around to see her man. She clutches her chest with a gleam in her eye.

ROSE  
Finn...

Finn rolls his eyes and hangs his head.

REY  
Ben... what are you doing?

Kylo looks up at Rey. Pauses for a long moment. She looks at him. He opens his mouth.

KYLO  
(singing)  
I could stay awake just to hear you  
breathing  
Watch you smile while you are  
sleeping  
While you're far away and dreaming.

REY  
What?!

The music fades in and gradually builds as Kylo continues to sing.

KYLO  
I could spend my life in this sweet  
surrender  
I could stay lost in this moment  
forever  
Ooh, every moment spent with you is a  
moment I treasure.

The music kicks in full volume.

KYLO (cont'd)  
(singing)  
Don't want to close my eyes  
I don't want to fall asleep  
'Cause I'd miss you, babe  
And I don't want to miss a thing.

A tear comes to Leia's eyes and she throws her arm around Rey.

KYLO (cont'd)  
(singing)  
'Cause even when I dream of you  
The sweetest dream will never do  
I'd still miss you, babe  
And I don't want to miss a thing!

Finn and Poe and all the rest sway back in forth in harmony as Kylo sings the rest of 'I Don't Want to Miss a Thing' by Aerosmith. (yes he sings the whole song)

The song finishes and it looks like everyone has had a good time. Kylo is a bit out of breath.

KYLO (cont'd)  
Rey! I love you!

REY  
Yeah I get that.

POE  
(to Finn)  
Wasn't that just so romantic man?

FINN  
(to Poe)  
Honestly, yeah...

Finn wipes away a tear.

ROSE

Finn I have a confession to make too.

FINN

Not now.

Finn pushes away Roses face with the palm of his hand.

LEIA

Ben, I had no idea you had such a heart.

REY

Ben, I- I'm speechless. I don't know what to say.

KYLO

Say you love me too?

REY

Nooooo, no no no!

Rey laughs.

KYLO

(very sad)

No? even after all that?

REY

Yeah sorry Ben. But the fact remains you're a terrible human being, and I'm not looking for a relationship right now. I need to work on me. I hope you understand.

KYLO

Okay... okay. That's fine.

REY

yeah?

KYLO

It's just... I ... really went out on a limb for you just now. I threw away EVERYTHING to be with you!

AHSOKA

You can't lash out at her just because she rejected you!

REY

Hey Ben calm down I don't like this tone.

KYLO  
I will not calm down! And it's Kylo!  
Stop calling me Ben!

LEIA  
Enough Ben, we need to-

KYLO  
SHUT UP!

Kylo starts to Force choke Leia.

REY  
Ben that's your mother!

KYLO  
I hate you!

REY  
Let her go!

Kylo force chokes Rey with the other hand. Ahsoka jumps in. Kylo let's go of both his mother and Rey and picks up his lightsaber to defend himself from Ahsoka's attack. Leia and Rey stand up and dust themselves off. Ahsoka and Kylo clash over and over again. Kylo is on the defensive from her two blades but he uses the Force to pull in one of the Knights weapons from the ground. He knocks one of Ahsoka's lightsabers from her hand and pushes her back with the Force.

KYLO  
Rey, we could have had something  
good! I still love you!

REY  
You're insane!

KYLO  
I will have your heart one way or  
another!

Kylo lunges at Rey with lightsaber drawn. Leia intervenes with her green lightsaber that she found on Naboo (remember that).

LEIA  
I said leave her alone Ben!

KYLO  
I don't want to hurt you mother!

LEIA

But you don't mind hurting her?

KYLO

She hurt me first!

LEIA

You are a fragile, fragile little boy! I have let you down as your parent. Time to finally take responsibility for my mistake. This ends here.

Kylo and Leia clash.

POE

Wow look at her go!

FINN

Who knew she had it in her?

POE

Hey buddy do you find it weird that we just kinda sit on the sideline making comments?

FINN

Yeah I know, I feel kinda useless.

POE

This has honestly been the longest day ever.

They keep clashing. Threepio comes out of the Falcon with a tray of drinks.

C-3PO

Can I interest anyone in a mint julep?

POE

When did you have time to make those?

C-3PO

I thought I would be productive instead of lollygagging around.

FINN

I'll take one.

POE

Ok, me too.

TEEN YODA.

Me three!

AHSOKA

Oh no you don't

Ahsoka takes the drink away from Yodie.

TEEN YODA.

Ah mom!

REY

LEIA!

Kylo stabs Leia through the chest. He immediately throws down his saber and holds his mother as she dies.

KYLO

No... no no no no no no. NO!

LEIA

Ben... Ben....

KYLO

Mom.

LEIA

It's not too late son. There is still good in you.

KYLO

No there's not I killed you, like I killed dad.

LEIA

Han is not your father.

KYLO

What??

Leia leans in and with her last breath.

LEIA

your father is ... Lando Calrissian.

Laia dies.

KYLO

No no no . Mom, no. NO! NOOOOOO!

Kylo throws his head back and cries. Everyone surrounds Leia.

REY

Ben. What have you done?

KYLO

THIS IS YOUR FAULT!

REY

Ben open your eyes and take  
responsibility for your own actions!

Kylo storms off to his shuttle and flies away.

The gang grieves for Leia.

REY (cont'd)

(crying)

Leia. I'm so sorry.

POE

Laia I swear you will be avenged!

REY

This all seems like a bad dream.

FINN

What do we do now?

POE

We must complete the mission. We must  
end this here and now.

REY

Do it! Burn the First Order to the  
ground!

POE

(over radio)

Lando, commence the attack.

LANDO

(over radio)

Poe? Where's Leia?

POE

(over radio)

She didn't make it.

Finn grabs the communicator from Poe

FINN

She's dead!

Poe snatches it back.

POE  
Give me that!

LANDO  
Commencing attack. All wings report in!

AKBAR JR.  
Green-3 reporting in.

SNAP WEXLEY  
Green-5 here, let's go.

KLAUD  
Zed-7 reporting in.

LANDO  
Is that it?

POE  
Hang tight, we're on our way. Let's roll Finn.

REY  
I'll stay with Leia.

ROSE  
I can stay with her here. They need you up there.

REY  
Are you sure?

ROSE  
Of course Rey, now go.

REY  
Thanks Rose.

C-3PO  
I'll help her.

REY  
Alright.

POE  
Hey Mando are you a good pilot?

MANDO  
Of course.

POE  
Come with us.

AHSOKA  
We'll come too.

MANDO  
Yeah we could use the ride.

Everyone but Rose and Threepio jump in the falcon and fly away.

INT. TANTRUM IV. NIGHT

Kylo storms into the bridge.

KYLO  
Lora target the rebels.

LORA  
Yes sir.

KYLO  
But leave the Kibosh to me.

The Falcon flies into The Kibosh's launch bay.

MANDO  
What are you doing?

FINN  
Don't worry, he's on our side.

POE  
Chewie you have the Falcon. Mando  
pick a ship.

Poe, Finn, and Mando run out and jump into different ships then fly out to join the battle.

Rey hops in the gunner seat of the Falcon and Chewie flies out and joins the battle.

KYLO  
First Order this is where we wipe  
away these rebels once and for all!

From the darkness of space comes several rebel ships. Twice as many as before. Including some cameos, like Wedge, Bosk, Sabine Wren, Jabba Jr, a random Gungan and more!

LORA  
We should call for reinforcements?

KYLO

Nonsense.

LORA

They have us out numbered and out  
gunned.

KYLO

I will deal with them myself.

Kylo sprints to his fighter and flies straight for the  
Kibosh.

LANDO

Whoa we have one coming in hot!

REY

It's Kylo!

Kylo is flying fast, a few meaningless rebel ships try to  
blast him but he shoots them down with ease. He stays on  
course flying straight for the Kibosh when the Falcon  
intercepts. They have a bit of a dog fight. Kylo flies  
straight toward the Falcon and gets close enough to see  
Chewie piloting.

Kylo has a flash back to when he was a child, flying with  
his dad, mom and Chewie. He's angry at first because he  
feels he was abandoned then he catches a glimpse of himself  
in the reflection of the ship. He stops mid flight. Rey  
senses Ben's heart.

REY (cont'd)

We need to stop.

POE

Rey shoot!

REY

No I can't.

FINN

We need to hear her out. It's a Force  
thing.

REY

Thank you Finn.

FINN

I got you.

KYLO  
Attention Resistance fighters. I  
request an audience with Lando.

LANDO  
No way-

REY  
Lando I think you should.

LANDO  
Well okay. Come aboard.

Kylo boards the Kibosh where he is met with former First Order troops and Rebel troops. Ahsoka takes his lightsaber. She then hands it to Maz and her and Teen Yoda escort Kylo to the bridge to meet Lando.

LANDO (cont'd)  
Mr. Ren. Or do I call you Ben?

KYLO  
Lando I know the truth.

Kylo leans in closer.

KYLO (cont'd)  
(whispering)  
You're my dad.

Lando smiles big.

LANDO  
So she finally told you.

KYLO  
All I wanted was a cool dad like you.

Kylo hugs Lando. Ahsoka is watching closely. Lando wraps his arms around Kylo.

LANDO  
I love you son.

Kylo begins to weep.

LANDO (cont'd)  
Let's go home.

There is a bit of a rumble among the crew.

AHSOKA  
I'm so confused. What's happening?

KYLO  
We have a ceasefire.

AHSOKA  
What?!! Just like that?

KYLO  
(into communicator)  
Lora we have a ceasefire over here. I repeat we have a ceasefire.

LORA  
But sir? We're so close. You yourself said-

KYLO  
Well I had a change of heart okay?

LANDO  
(into com panel)  
All wings stand down and return to launch bay.

POE  
Did I hear him right?

FINN  
What's this all about Lando?

LANDO  
Guys it's fine. Trust me.

FINN  
Oh alright .

The ships stop blasting at each other and most of the smaller ships return to their bigger ships.

Kylo and Lando smile at each other.

Meanwhile on the Tantrum the crew grows restless.

LORA  
Honestly folks I don't know what's going on either but I'm sure the Supreme Leader has a plan and we just need to wait.

DAVE  
Wrong!

LORA  
Dave from accounting?!

Dave has a blaster pointed at Lora.

DAVE  
Yes it's I David Klack! Remember me?  
Well I never left and guess what? I  
was the Rebel spy!

LORA  
We had a Rebel spy on board this  
whole time?

DAVE  
That's right and it was me! Every  
step of the way, informing the  
rebels.

LORA  
You are a traitor! Someone please  
take him away!

DAVE  
Not so fast. The war is over. The  
Rebels have won and if you cooperate  
with me you will receive a reduced  
sentence, like one year max.

All the storm troopers nod and go "hmm-mmm" in agreement.

LORA  
You can't do this, this is treason!

DAVE  
What do you say fellas? Tired of  
being the bad guys?

The storm troopers cheer and then take off their helmets.  
You see they come in all shapes, sizes, colors and  
hairstyles. Accessories sold separately.

DAVE (cont'd)  
(into radio)  
She's all yours Lando.

LANDO  
(into radio)  
Thanks Dave.

KYLO  
Wow Dave was working for you guys the  
whole time? I had no idea.

Kylo and Lando share a laugh.

LANDO  
Will you tell the rest of the First  
Order to stand down.

KYLO  
Sure thing Lando.

LANDO  
Please, call me dad.

KYLO  
Okay.... dad.

Kylo has a sheepish grin. Rey comes running up.

REY  
Ben did you really surrender?

KYLO  
I owe it all to you Rey.

REY  
I still don't love you.

KYLO  
I know. .... I just realized how much  
of a jerk I was being, how my  
emotions got out of control. I was  
drunk on the dark side, also Gundark  
Ale, but that's no excuse. I hope  
someday you can forgive me.

REY  
Only time will tell.

DISSOLVE TO:

INT. PRISON PLANET. NIGHT

A squad of storm troopers are lead into the prison chained together. followed by officers including Quantis and Lora. Public enemy number one, Kylo Ren is last. He has metal mittens on his hands and chains around his torso. His mouth is covered by a metal gag and his eyes by a metal blindfold. He is guarded by random rebel pilots and Ahsoka. Lando is there too.

They lead Kylo to his own private cell and remove the bindings and coverings.

KYLO  
Thank you for letting me live.

AHSOKA  
Not my choice.

Rey steps around the corner.

REY  
Give us a minute.

AHSOKA  
Okay but we'll be around if you need us.

REY  
Thank you.

KYLO  
I guess this is goodbye.

REY  
Yeah I guess so.

The two stand awkwardly for a moment.

REY (cont'd)  
Ben. You had potential for greatness but you're stubborn and arrogant but knowing you help me understand myself.

Kylo looks on.

REY (cont'd)  
You had a whole legacy to live up to. The stories of Han and Leia and Luke are just so great it's hard to compare. It was an unreasonable expectation to put on anyone let alone a little boy. It would make anyone feel weak.

Kylo starts to cry.

REY (cont'd)  
It's still no excuse for your decade of terror but I'm trying to say I understand.

KYLO  
(crying)  
You understand me better than anyone else. I'm glad I met you too. Sorry for ... for everything.

Ahsoka and Lando walk around the corner.

AHSOKA  
You doing okay Rey?

REY  
We just finished up.

Lando walks to Kylo.

LANDO  
I'm proud of what you did today.

KYLO  
(crying)  
Really?

LANDO  
Of course. You stopped this bloody  
conflict from going on any longer.  
Finally we can put an end to The  
Galactic Civil War II.

KYLO  
(wincing)  
That's kinda a mouthful.

REY  
How about we call it The Star Wars.

LANDO  
Or just Star Wars for short. Yeah I  
like that. Thus ends .... Star Wars.  
All of them.

Everyone stands around awkwardly for a moment.

KYLO  
Shouldn't you uh? -

LANDO  
Oh yeah.

Lando slowly closes the door on Kylo.

LANDO (cont'd)  
One more thing. I talked to the judge  
and if you're good we'll see you  
again in about 30 years.

Kylo's face lights up.

LANDO (cont'd)  
Well not me, I'm pretty sure I'll be  
dead by then.

REY  
But I'll be here.

KYLO  
Yeah?

Kylo gets a big smile on his face.

REY  
And who knows what the future holds.

Rey and Lando both shut the door on Kylo and walk away.

DISSOLVE TO:

INT. THE GREAT HALL. DAY

It's medal ceremony time! Several Resistance fighters stand at attention and look towards the main stage where the leader of the New New Republic stands, Min Mothma (daughter of Mon Mothma)

Standing on either side of Mothma are the heroes, each receiving a medal, even Chewie but excluding Threepio and the other droids.

There is peace in the galaxy at last. The crowd goes wild.

DISSOLVE TO:

EXT. THE BLACKNESS OF SPACE. DAY

Empty space as if the credits will roll by but instead the Falcon flies by.

INT. FALCON. DAY

The gang is laughing and having a grand ol' time. It's a real party vibe. They are still wearing formal attire from the ceremony but undone a bit. Rey is standing off to the side listening to Lando tell funny stories.

LANDO  
(slightly drunk)  
And that's when I pulled Threepio's  
arm out of hydrolic press.

The gang laughs.

LANDO (cont'd)  
He was all like "help help" it was a  
blast. Do you remember that buddy?

C-3PO  
I wish I could forget.

The gang laughs again.

BABU  
Babu make droid forgetty?

The gang laughs yet again. Lando drones on. Finn slides up next to Rey. She grabs him by the shoulders.

REY  
FINN!!!!

FINN  
Wow that is annoying.

They laugh and Rey touches his cheek.

REY  
Now you know how I feel.

FINN  
Right right. Hey Rey. I'm sorry. I  
was letting my emotions get me  
overwhelmed.

REY  
It's okay bud. There's a lot going  
around. I'm sorry I don't feel the  
same way but you will find someone, I  
promise.

FINN  
Thank, but maybe I already have.

Finn raises his eyebrow, bites his lip and slaps Rey in the shoulder then walks towards the cockpit.

Rose walks by with a drink in her hand, singing a funny song. She notices Rey and runs up to her.

ROSE  
Hey hero!

REY  
Hey hero!

The two clink glasses.

ROSE  
I can't believe all this fighting is  
finally at an end.

REY  
I know right, but there's still a lot  
of work ahead of us to reform the  
galaxy.

ROSE  
So true.

REY  
But for now we drink!

ROSE  
We drink!

They clink glasses again and laugh.

REY  
Soooo Rose... what's the deal with  
you and Finn?

ROSE  
Oh nothing. We decided just to be  
friends.

REY  
Wait really? but I thought you were  
so in love with him and was going to  
marry him and so forth.

ROSE  
Yeah but... you know.. things change.  
Besides I met a way better man.

Yodie runs his fingers through Rose's hair.

TEEN YODA.  
Hey babe BB-8 is gonna break dance.  
You wanna watch?

ROSE  
That's so wizard. I'll be right  
there.

REY  
Him?

ROSE  
What can I say? I like older men.

Rose smiles, laughs and leaves. Ahsoka walks up to Rey.

REY  
Can you believe that?

AHSOKA  
I hope she doesn't break his little heart.

REY  
No no she's really nice. I guess I'm happy for them?

AHSOKA  
Take it from me, interspecies relationships can work. It's all about communication.

REY  
That's not really what I meant but, uhh it's okay.

AHSOKA  
Rey have you given much thought about my offer?

REY  
I'm very thankful for what you and your family have taught me. I would love to continue the training but right now I just want to take a year off and explore the galaxy.

Poe walks out of the cockpit.

POE  
Next stop Dagobah!

AHSOKA  
Well this is our stop. Last chance, are you sure you don't want to stay with us?

Rey looks over at Rose making out with Yodie next to a break dancing BB-8.

REY  
Not today. Maybe in the future.

AHSOKA

Alright. Please don't be a stranger.

REY

Don't worry I'll call all the time.

The two hug. Ahsoka, Yodie, Mando and Rose all say their goodbyes to the team.

MANDO

(nods)

Lando

LANDO

(nods)

Mando

They exit the falcon to their swampy home.

Rey walks into the cockpit. Chewie is flying and Poe and Finn are in the co-pilot seat.

REY

So guys where to now?

FINN

Second star to the right and straight on 'til morning?

POE

Where's that? Kijimi ?

FINN

No it just something my mom told me once.

Poe raises an eyebrow to Finn.

CHEWIE

Grgagaggalllla

REY

Maybe some other time Chewie.  
Honestly guys. I think we should call it a night.

Lando walks in.

LANDO

If you want you can crash at my place. We do have plenty of space and Jannah would love the company. ... Oh shit Jannah! I forgot all about her.

REY  
You didn't contact her this whole  
time ?

LANDO  
Bah! It's fine, I'm sure she didn't  
even notice.

The gang have a good laugh. C-3PO and R2-D2 hang out outside  
the cockpit.

C-3PO  
Artoo do you ever get the feeling  
they just forget about us?

R2-D2 beeps.

C-3PO (cont'd)  
Oh what do you know you over grown  
rusted up hunk of metallic turd.

Threepio bops Artoo on the head. The laughter continues from  
the cockpit and conversations ramble on.

DISSOLVE TO:

INT. CLOUD CITY. BESPIN. NIGHT

The gang walk down the hall, Jannah runs up and hugs Lando.  
Poe slips Jannah money for the ships. They are all in good  
spirits but sleepy. One by one they peel off to different  
bed rooms.

Rey hangs up her lightsaber and gun and other equipment. She  
crawls into bed wearing sci-fi PJs, pulls up the covers and  
snuggles up to the pillow and closes her eyes. The screen  
goes black for a second then she opens her eyes again and  
she sees the Force ghosts of Luke and Leia in the sand. She  
smiles then she closes her eyes again.

FADE TO BLACK

Roll Credits.

The End.
