

It's time to go to bed

2022

Time to saunter off to the great beyond
Time to recount lyrics of the midnight song
Time to dream of where I belong
Time to rest for short or long
Time to twist and snarl as I fumble awake
Time to retread the events of an awful mistake
Time to pant for air and gasp for breath
Time to venture boldly into the depth
Time to forgive and to forget
Time to remember
Time to reset
Time to be carried blissfully unaware
Time to close my eyes if I dare
Time for the systems to repair
Time to see the darkest light
Time for the gentle goodnight
